Accounting

Shepherd UNIVERSITY

About the Major

The Department of Accounting is dedicated to preparing students to become **successful leaders in society**. The unifying principle of Shepherd University accounting is its dedication to excellence. Our accounting program will **enhance your knowledge, skills, and perspective** in not only accounting, but in life. In redefining the study of accountancy, the next generation of businessmen and women, certified public accountants, and leaders will be able to conquer the challenges of a new millennium.

Career

Graduates of the accounting program find career opportunities in public accounting, private industry, or governmental accounting.

Get Involved

The Accounting Club

The Accounting Club is to foster the study of accounting, to bind membership into closer friendship, to uphold the interest of Shepherd University, and to provide professional growth opportunities for its members.

Points of Pride

- Since 2014, Shepherd accounting students have had **the highest pass rate on the CPA exam** in West Virginia.
- Networking events with potential employers has resulted in **internship opportunities** and even **full-time employment** after graduation.
- **High employment rate upon graduation.** More than two-thirds of the graduating class have already secured full-time employment or will be attending graduate school.
