---Human Rights Campaign University (HRC U)

HRC U is an innovative program designed to supplement the experience of a Washington, D.C., internship by providing young LGBT and straight supportive students with intensive leadership and skills training. Learning firsthand from the most prominent LGBT leaders in the country. Network with experts from the political, corporate, and media fields. And connect with other LGBT and allied students from around the country.

If you are a motivated LGBT or allied student who has genuine passion for LGBT or allied student who has a genuine passion for LGBT equality and wants become part of the next generation of leaders, you are highly encouraged to apply. Offered three times per year: spring, summer, and fall
