

Master of Arts in COLLEGE STUDENT DEVELOPMENT and ADMINISTRATION

The Master of Arts in College Student Development and Administration provides a combination of coursework and practical experiences that prepares students for careers in student affairs and other student services at both two- and four-year institutions. The faculty and students are committed to creating a strong intellectual community that consistently ties theory to practice within the classroom and through real world experiences.

Shepherd University's intimate size provides unique small school experiences for students in the CSDA program. With many institutions around the country and world similar in size to Shepherd, this program provides a distinct advantage for the student who wishes to work in a small school setting.

The Master of Arts in College Student Development and Administration is a 36-credit hour program for those who have completed a bachelor's degree and are interested in pursuing or advancing a career in student affairs or enrollment management.

The CSDA program, working cooperatively with various departments on campus, has committed to the practical experience of full-time students by currently offering graduate assistantships in Academic Advising, Career Services, Community Service and Service Learning, Student Conduct, Disability Support Services, Fraternity and Sorority Life, Multicultural Student Affairs, Residence Life, Student Activities and Leadership, Student Union, and TRiO Student Support Services. (Opportunities subject to change.)
