

## **NAMING OF CAMPUS ROAD**

To accommodate the Jefferson County Emergency Services 911-addressing system and in light of the anticipated changes in the West Campus related to the construction of the Center for Contemporary Arts, the following street names are recommended:

1. University Drive shall be that street which runs from the intersection on the north side of State Route 45, running more or less due north along the western border of the West Campus, to a point northwest of Maple and Birch Halls, then turning easterly and running more or less due east to the intersection with Shepherd Grade Road.
2. Campus Hill Drive shall be that street which begins at a point northeast of the Frank Creative Arts Center and fronts the West Woods residence halls.

The following resolution is recommended for adoption by the Board:

**RESOLVED**, That the Shepherd University Board of Governors approves the street designations as proposed in the August 2006 agenda book.
