Shepherd University
David Dunlop, President
Shepherdstown, WV 25443

Dear President Dunlop:

The Town Council of Shepherdstown, at it's April meeting, instructed me to request being placed on your May meeting agenda. In recent months, a number of issues have arisen which have given us pause both in terms of the substance of the issues and the quality of the communication between the University and the Town.

We would like to be on your agenda both to present our thoughts and to indicate our interest in working with you to strengthen our relationship and the channels of communication between us.

Sincerely,

Peter A. Wilson, Mayor
