SHEPHERD UNIVERSITY
BOARD OF GOVERNORS
POLICY 26

TITLE: SALARY POLICY

SECTION 1. GENERAL

1.1 SCOPE: These salary policies shall be in effect and shall govern the assignment of salaries for employees of Shepherd University. This Policy governs the periodic institutional decisions to provide institution-wide salary increases and does not regulate or restrict the President’s authority to adjust the salary of an individual employee at the President’s discretion.

1.2 AUTHORITY: West Virginia Code § 18B-1-6; §18B-2A-4.

1.3 Effective Date: September 11, 2008, amending the March 8, 2007 version of the Policy.

SECTION 2. PROCEDURES FOR ESTABLISHING SALARY POOLS

2.1 Each year, or from time to time as deemed appropriate, the President shall present to the Board a plan for the distribution of general salary increases to employees of the University. This plan shall address increases for all employees other than the President.

2.2 The general salary increase plan shall be developed after state-wide salary mandates have been accounted for. Statewide salary mandates shall include salary increases for faculty promoted in rank and required incremental funding of the classified employee ‘entry rate’, if applicable.

2.3 After the cost of state-wide salary mandates has been separately accounted for, the President’s general salary increase plan shall be submitted to the Board for approval.

2.3.1 The plan shall reflect separately the total projected costs of aggregate salary increases for faculty, for non-classified employees, and for classified employees.

2.3.2 The plan shall reflect the aggregate percentage increase in salary to be paid to faculty, non-classified, and classified employees.

2.3.3 The percentage of aggregate increase in salary for each of the three groups of employees shall be comparable, but not necessarily equivalent, provided, that the President may present in the plan a proposal for non-comparable percentage increases among the three groups, for good cause shown.

2.4 The Board shall act, in response to the plan submitted, to establish the aggregate dollars to be allocated each year for general salary increases for each of the three groups of employees. The aggregate increase in dollars shall be distributed in accordance with Sections 3, 4 and 5 of this Policy.

2.5 Temporary salary enhancements which were distributed in fall 2010 shall not expire on June 30, 2011. For classified and non-classified staff, the enhancements shall be in all respects a part of base salary. For faculty, the enhancements shall expire on September 30, 2011 and effective October 1, 2011 faculty salaries shall be adjusted as provided in Section 2.6.

2.6 Effective only for October 1, 2011 salary increases, after the salary increase pool for the three categories of employees are established, the University shall integrate the faculty salary increases
amounts that were distributed to faculty in October 2010 into the fall 2011 faculty salary pool, and the faculty salary increases shall be calculated from the September 30, 2010 salaries.

SECTION 3. FACULTY SALARY POLICY

The total dollars for this increase in aggregate faculty salaries shall be distributed among full-time faculty as follows:

3.1 The Distribution of Faculty New Pay Monies Each Fiscal Year

3.1.1 Salary Inequities Distributions: The Vice President for Academic Affairs shall distribute Ten (10) per cent of the faculty salary increase pool at the discretion of the VPAA to address salary compression, market and experiential disparities.

3.1.2 Cost of Living Allocations: Of the remaining 90% of the salary increase pool after Section 3.1.1 is implemented, Forty (40) per cent of the remaining amount shall be distributed among all returning full-time faculty, in equal amounts per person.

3.1.3 Merit Pay Allocations: Of the remaining 90% of the salary increase pool after Section 3.1.1 is implemented, Sixty (60) per cent of the remaining amount shall be distributed on the basis of merit pay.

3.1.3A The Merit Evaluation Committee.

i. The merit evaluation committee will consist of 14 members.

ii. Three faculty members will be elected by their respective schools/departments, plus 1 coach and 1 librarian elected by the athletics department and the library faculty. The coach and the librarian will consult with each merit subcommittee as to how candidates in their departments fit into the merit award categories.

iii. The new committee members will be elected before April-February 1st.

iv. Effective August 2007, the Merit Evaluation Committee members may serve a maximum of three years but term and are not eligible for Merit Evaluation committee membership for one year following that term. The terms will be staggered. Thus the first year approximately one-third of the members will be one-year appointments, one-third will be 2-year appointments, and one-third will be three-year appointments. The schools will determine who has one year, two year, and three-year appointments.

v. Not later than February 15, the Merit Evaluation Committee will be convened for an initial meeting for the election of a Chair and Vice Chair. A candidate for the Vice Chair must have a minimum of one additional year, beyond the current year, remaining in the term. The initial meeting is convened by the former Chair, if still a committee member; otherwise, by the former Vice Chair. If both the former Chair and Vice Chair have left university employment or are otherwise unable to convene the meeting, the initial meeting shall be convened by the joint
3.1.3B Description of Merit Awards.

i. There will be three separate areas in which merit pay will be awarded, instructional performance, professional/institutional service, and professional development. The 14-member committee will break into three subcommittees to evaluate proposals in each of the aforementioned areas. The librarian and the coach will consult on the application of any member of their departments who applies for merit.

ii. An applicant will not qualify for merit in one area unless he/she is deemed to be meeting expectations in the other two areas. In the process of the evaluation, if a subcommittee does not find that an individual has exceeded expectations in the award area and has met expectations in the non-award areas, the committee, with at least 2/3 membership present, will review the application and make the final recommendation.

3.1.3C Application for Merit Awards.

i. Applying for a merit award is voluntary.

ii. Any full-time faculty member including librarians and coaches can apply for merit.

iii. To apply for merit, each candidate must comply with the following to be eligible for merit evaluation:

   a. Submit a single-spaced letter of application, not to exceed one page.
   b. The letter of application must expressly designate the merit award area (one of three) for which he or she is applying in a memo-style header at the top of the page.
   c. Within the one-page limitation, the application letter may describe why the applicant deserves merit.
   d. A full and true copy of the annual report must be submitted to the applicant’s school dean. The annual report is the substantive basis for making the merit evaluation as to any applicant. Therefore, applicants for merit pay should be very liberal in the quantity and quality of the information included in their annual report.
   e. Other than an exact copy of the annual report, as submitted to the Dean, the applicant may only submit the one-page application letter. These two documents constitute the entire application for merit pay. No additional document of any type may be submitted to the Merit Evaluation Committee beyond the annual report and the one-page application letter.

iv. Merit award applications will be submitted to the Merit Evaluation Committee Chair at the same time as the Annual Report as stated in the faculty handbook. The mandatory deadline for submission of merit applications is 4:30 p.m. on the
date that Annual Reports are due. No amendment of an application may be made by an applicant after that deadline.

v. The committee may ask for additional materials, including student evaluations, to support a merit application.

vi. A candidate must apply for merit, meet all deadlines, and supply any supporting materials requested by the committee in order to be awarded merit pay.

3.1.3D Responsibilities of the Merit Evaluation Committee.

i. The Merit Evaluation Committee shall be responsible for evaluating and determining merit awards for faculty who apply and are deemed to be meritorious in the specified area.

ii. The Merit Evaluation Committee may propose amendments to the merit process.

ii. For applicants recommended unfavorably, the evaluation and recommendation against merit pay shall be copied to the applicant when sent to the Vice President for Academic Affairs.

iii. The entire files of the applications and the Committee's evaluations and recommendations shall be forwarded to the Vice President for Academic Affairs within 340 days of the application deadline. Applicants who are not recommended favorably by the committee may submit to the Vice President for Academic Affairs a one-page response to the committee recommendation within 10 days of receipt of the recommendation.

v. All merit award recipients, regardless of category, will receive the same dollar amount per award.

vii. The merit awards will be made public. A newsletter will be sent to all faculty members listing the award recipients in each category.
viii. All of the timelines set forth in this subsection 3.1.3G are guidelines, when special circumstances occur these guidelines may not be achievable. These timeline guidelines do not extend any right to any applicant. No applicant becomes entitled to merit pay by default, nor does any applicant have any right to compel action by any particular date, due to any failure of either the Committee or an administrator to meet a timeline provided for in this subsection.

3.2 Salaries of faculty in phased retirement shall be set as provided for in the applicable policy. The adjustment of faculty returning from leave of absence and exigent cases in the interest of retaining current faculty shall be at the discretion of the Shepherd President.

3.3 The President may, by written designation, exempt up to five percent of all full-time faculty from the provisions of this policy. The purpose of this provision is to allow for special cases, such as faculty funded by external soft-money, whose increases might sometimes be smaller, or none at all, based upon the external support.

SECTION 4. CLASSIFIED STAFF SALARY POLICY

4.1 Salaries of classified employees shall be set based upon years of experience and Mercer Classification System pay grade. The salary schedule set forth in Appendix A shall govern classified employees’ salaries.

5.3.1 The remaining sixty (60) per cent of the non-classified staff salary pool shall be distributed on the basis of merit pay.
5.3.2 A merit pay pool shall be established by the President for the non-classified, non-executive staff employees.

5.3.3 Each non-classified employee shall be evaluated at least once each year, to include the Annual Evaluation, which should be completed before March 15 each year for the preceding calendar year. The Annual Evaluation will include, but need not be limited to, the institutional Employee Performance Evaluation Form.

5.3.4 No employee who receives one or more marks of “poor” or “fair” below the mid-point on the Annual Evaluation form will be eligible for merit pay.

5.3.5 On a scale of 1-5, with “poor” being 1 and “excellent” being 5, the average for all marks on the Annual Evaluation must be at least 4.0, with no rounding, or the employee is not eligible for merit pay.

5.3.6 Utilizing any other evaluative processes at their discretion, the executive officer overseeing the non-classified employee may eliminate any additional employee determined to have performed at a level that is not meritorious.

5.3.7 All other non-classified staff, non-executive staff employees not eliminated from candidacy by sections 5.3.3, 5.3.4, 5.3.5, or 5.3.6, shall be presented by the executive officer to the Executive Staff for merit pay candidacy.

5.5.1B In the event that there is no money in a given year for merit awards, the merit awards will roll over to the next year and they will split the money with the persons designated for merit pay in the next year.
