Section 2.01 Issuance of Series 2004B Bonds. There shall be issued and secured by this Indenture a series of Bonds to be known and designated as “Shepherd University Board of Governors Infrastructure Revenue Bonds, Series 2004B.” The aggregate principal amount of Series 2004B Bonds which may be authenticated and delivered under this Indenture is limited to [$3,900,000], except for Series 2004B Bonds authenticated and delivered upon registration or transfer of, or in exchange for, or in lieu of other Series 2004B Bonds, as provided herein. The Series 2004B Bonds shall be issued as fully registered Bonds without coupons, in denominations of $5,000 principal amount, or any integral multiple thereof, numbered from BR-1 upward.
The Series 2004B Bonds shall be dated as of July ____, 2004, and mature on ______________ 1 in the years and in the principal amounts and shall bear interest on each Interest Payment Date at the rates per annum, all as set forth below:

Except as otherwise provided in this Section, each Bond shall bear interest (calculated on the basis of a 360 day year of twelve 30-day months) from such date or from the most recent Interest Payment Date to which interest has been paid or duly provided for, as the case may be. However, when there is no existing default in the payment of interest on the Bonds, each Bond authenticated after the Regular Record Date for any Interest Payment Date but prior to such Interest Payment Date shall bear interest from such Interest Payment Date; provided, however, that if and to the extent that the Issuer shall default in the payment of the interest due on any Interest Payment Date, then all such Bonds of the series as to which default occurred shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, unless no interest has been paid on such series of Bonds, in which case from their dated date (July ____, 2004, with respect to the Series 2004B Bonds).

The Person in whose name any Bond is registered at the Regular Record Date with respect to an Interest Payment Date shall be entitled to receive the interest payable on such Bond on such Interest Payment Date notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date; provided, however, that if and to the extent the Issuer shall default in the payment of the interest due on any Interest Payment Date, such Defaulted Interest shall be paid as provided in Section 2.08.

The principal of and interest on the Bonds shall be payable in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts at the corporate trust office of the Trustee in ______________, West Virginia; provided, however, that interest on the Bonds shall be paid by check mailed to the Person entitled thereto at his address appearing on the Bond Register, and in the case of an owner of $1,000,000 or more of the Bonds as of the close of business of the Trustee on the Regular Record Date for a particular Interest Payment Date, by wire transfer to a designated account at a member bank of the Federal Reserve System, specified in writing to the Trustee at least five Business Days preceding such Regular Record Date by such Owner.

Section 2.02. Execution. The Bonds shall be executed by the Governor on behalf of the State and the Chairperson of the Issuer with their manual or facsimile signatures, and
attested by the manual or facsimile signature of the Secretary of State and shall have impressed or imprinted thereon, the Great Seal of the State. In case any officer whose signature, or whose facsimile signature, shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature, or the facsimile signature thereof, shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery.

Section 2.03. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bond substantially in the form set forth in Exhibit A shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been executed, authenticated and delivered under this Indenture. The Certificate of Authentication and Registration on any Bond shall be deemed to have been executed by the Trustee if manually signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the Certificate of Authentication and Registration on all of the Bonds issued hereunder.

Section 2.04. Form of Bonds. The Bonds issued under this Indenture shall be substantially in the form set forth on Exhibit A hereto with such variations, omissions and insertions as are permitted or required by this Indenture and which variations, omissions or insertions do not adversely affect the rights of any Bondholder as set forth herein.

Section 2.05. Delivery of Series 2004B Bonds. Upon the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee and the Trustee shall authenticate the Series 2004B Bonds to be originally issued, and deliver them to the Original Purchasers thereof as directed by the Issuer.

Prior to the delivery of any of the Series 2004B Bonds, there shall be filed with the Trustee:

(1) A Certified copy of the Issuer Resolution;

(2) Certified copies of the authorizing resolution or resolutions of the Commission;

(3) An original executed counterpart of this Indenture;

(4) A request and authorization to the Trustee signed by the Authorized Representative to authenticate the Series 2004B Bonds, to be originally issued, and to deliver them to the Original Purchasers therein identified upon payment of the sums specified in such request for deposit in the funds and accounts as set forth in Section 5.01 hereof; and

(5) An opinion of Bond Counsel substantially to the effect that the Series 2004B Bonds constitute legal, valid and binding obligations of the Issuer, enforceable in accordance with their terms, and that the interest on the Series 2004B Bonds is excludable from the gross income of the Owners for purposes of federal income taxation.
Section 2.06. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate a new Bond of like series, date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee for cancellation and, in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer and the Trustee evidence of such loss, theft or destruction satisfactory to them, together with any indemnity satisfactory to them. In the case of a past-due or a matured, lost, stolen or destroyed Bond, the face amount of such past-due or matured Bond may be paid upon delivery to the Issuer and the Trustee of evidence of such loss, theft or destruction satisfactory to them, together with any indemnity satisfactory to them. The Issuer and the Trustee may charge the Owner of such Bond their reasonable fees and expenses in this connection.

Any such duplicate Bonds issued pursuant to this Section shall constitute original, additional contractual obligations on the part of the Issuer, whether or not the lost, stolen or destroyed Bonds be at any time found by any one, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source of security for payment from the Trust Estate with all other Bonds issued hereunder.

Section 2.07. Exchange of Bonds; Persons Treated as Owners; Transfer and Registration. The Issuer shall cause books for the registration and for the registration of transfer of the Bonds as provided in this Indenture to be kept by the Trustee at its principal office. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Issuer or by a representative of the Owners of not less than 50% of the aggregate principal amount of Bonds then outstanding.

Upon surrender for registration of transfer of any Bond at such office, the Trustee shall authenticate and deliver in the name of the transferee or transferees one or more new fully registered Bonds, if any, of authorized denomination of the same maturity and like aggregate principal amount. At the option of the Bondholder, Bonds may be exchanged for other Bonds of authorized denominations of the same series and maturity and like aggregate principal amount upon surrender at any such office. Whenever any Bonds are so surrendered for exchange, the Trustee shall authenticate and deliver in exchange therefor the Bond or Bonds that the Bondholder making the exchange shall be entitled to receive.

All Bonds presented for registration of transfer or exchange shall (if so required by the Issuer or the Trustee), be accompanied by a written instrument or instruments of transfer in form and with a guaranty of signature satisfactory to the Trustee, duly executed by the registered owner or by such owner’s duly authorized attorney.

The Trustee may require payment by the person requesting an exchange or registration of transfer of Bonds of a sum sufficient to cover any transfer fee, tax or other governmental charge that may be imposed in relation thereto.
The Issuer and the Trustee shall not be required to issue, register the transfer of or exchange any Bonds during a period beginning at the Regular Record Date preceding an Interest Payment Date and ending at the close of business on the Interest Payment Date.

All Bonds delivered upon any registration of transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Indenture as the Bonds surrendered.

Prior to due presentment for registration of transfer of any Bond, the Issuer and the Trustee, and any agent of the Issuer or the Trustee may treat the person in whose name any Bond is registered as the absolute owner thereof for all purposes (subject to Section 2.08), whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary.

Section 2.08. Payment of Interest; Interest Rights Preserved. Interest on any Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name that Bond (or one or more predecessor Bonds) is registered on the Regular Record Date for such Interest Payment Date.

Any Defaulted Interest shall forthwith cease to be payable to the registered Owner on the relevant Regular Record Date by virtue of having been such Owner; and such Defaulted Interest shall be paid by the Trustee to the persons in whose names the Bonds (or their respective predecessor Bonds) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Bondholder at his address as it appears in the Bond Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the Bonds (or their respective predecessor Bonds) are registered on such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 2.09. Cancellation and Destruction of Bonds. Whenever any outstanding Bond shall be delivered to the Trustee for payment of the principal amount represented thereby
or for replacement pursuant to Section 2.06 or registration of transfer or exchange pursuant to Section 2.07, such Bond shall be canceled and destroyed by the Trustee and counterparts of a certificate of destruction evidencing such destruction shall be furnished to the Issuer.

Section 2.10. Book-Entry Format.

(a) Except as provided in subsection (c) of this Section, the registered Owner of all of the Series 2004B Bonds shall be DTC, and the Series 2004B Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Payment of semiannual interest for any Series 2004B Bonds registered as of each Regular Record Date in the name of Cede & Co. shall be made by wire transfer to the account of Cede & Co. on the Interest Payment Date for the Series 2004B Bonds at the address indicated on the Regular Record Date for Cede & Co. in the registry book of the Issuer kept by the Trustee.

(b) The Series 2004B Bonds shall initially be issued in the form of separate single authenticated fully registered Series 2004B Bonds in the principal amount of each stated maturity of each series of Series 2004B Bonds. Upon initial issuance, the ownership of each such Series 2004B Bond shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC. The Trustee and the Issuer may treat DTC (or its nominee) as the sole and exclusive owner of the Series 2004B Bonds registered in its name for the purposes of payment of the principal of or interest on the Series 2004B Bonds, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of Series 2004B Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Trustee nor the Issuer shall be affected by any notice to the contrary. Neither the Trustee nor the Issuer shall have any responsibility or obligation to any DTC participant, any person claiming a beneficial ownership interest in the Series 2004B Bonds under or through DTC or any DTC participant, or any other person which is not shown on the registration books of the Issuer kept by the Trustee as being a Bondholder with respect to the accuracy of any records maintained by DTC, Cede & Co. or any DTC participant; the payment by DTC or any DTC participant to any beneficial owner of any amount in respect of the principal of or interest on the Series 2004B Bonds; the delivery to any DTC participant or any interest on the Series 2004B Bonds; the delivery to any DTC participant or any beneficial owner of any notice which is permitted or required to be given to Bondholders under this Indenture; the selection by DTC or any DTC participant of any person to receive payment in the event of a partial payment of the Series 2004B Bonds; or any consent given or other action taken by DTC as Bondholder. The Paying Agent shall pay all principal of and interest on the Series 2004B Bonds only to or “upon the order of” (as that term is used in the Uniform Commercial Code as adopted in the State) Cede & Co., as nominee of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to the principal of and interest on the Series 2004B Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Trustee of written notice to the effect that DTC had determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the word “Cede & Co.” in this Indenture shall refer to such new nominee of DTC.

(c) In the event that (i) DTC determines not to act as securities depository for the Series 2004B Bonds; or (ii) the Issuer advises DTC of its determination that DTC is
incapable of discharging its duties; or (iii) the Issuer determines that it is in the best interest of the beneficial owners of the Series 2004B Bonds that they be able to obtain bond certificates, the Issuer shall, if the event is triggered by either (i) or (ii) above, attempt to locate another qualified securities depository. If the Issuer fails to locate such a replacement, then it shall notify DTC and the Trustee, requesting DTC to notify its participants, of the availability through DTC of bond certificates. In such event, the Trustee shall issue, transfer and exchange bond certificates as requested by DTC and any other Bondholders in appropriate amounts. The Issuer and Trustee shall be obligated to deliver bond certificates as described in this Indenture. In the event bond certificates are issued to Bondholders other than DTC, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of an interest on such Series 2004B Bonds. Whenever DTC requests the Issuer and the Trustee to do so, the Trustee and the Issuer will cooperate with DTC in taking appropriate action after reasonable notice (a) to make available one or more separate certificates evidencing the Series 2004B Bonds to any DTC participant having Series 2004B Bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2004B Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2004B Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of and interest on such Series 2004B Bond and all notices with respect to such Series 2004B Bond shall be made and given to DTC as provided in the Letter of Representations.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the Issuer or the Trustee with respect to any consent or other action to be taken by Bondholders, so long as any Series 2004B Bond is registered in the name of Cede & Co., as nominee of DTC, the Issuer or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

(f) As long as a series of Series 2004B Bonds are registered in the name of a securities depository, or its nominee, the Trustee agrees to comply with the terms and provisions of the Letter of Representations, including the provisions of the Letter of Representations with respect to any delivery of such Series 2004B Bonds to the Trustee, which provisions shall supersede the provisions of this Indenture with respect thereto.

Section 2.11. Additional Bonds. Additional Bonds may be issued pursuant to this Indenture under the conditions and in the manner provided in this Section 2.11.

Additional Bonds may be issued from time to time for any one or more of the following purposes: (a) financing the costs of the acquisition or construction of new Capital Projects or improvements to the Capital Projects, or (b) refunding all or a portion of one or more series of Bonds issued pursuant hereto. In the event Additional Bonds are issued, the Issuer and Trustee shall enter into a Supplemental Indenture, the purpose of which shall be to authorize the Additional Bonds and provide the lien on the Trust Estate as security therefor.
No Additional Bonds shall be authenticated and delivered by the Trustee unless there has been or is simultaneously with the issuance of the Additional Bonds delivered to the Trustee:

(a) The resolutions, documents and opinions required for delivery of the Series 2004B Bonds pursuant to Section 2.05 hereof, appropriately modified;

(b) An Issuer’s Certificate to the effect that the Issuer is not in default hereunder; and

(c) A certificate from an Independent Certified Public Accountant to the effect that the Pledged Revenues (i) have equaled or exceeded 1.00 times Debt Service Charges for the preceding three Fiscal Years and (ii) are projected to equal or exceed 1.10 times Debt Service Charges for the Fiscal Year immediately following the date of issuance of such Additional Bonds, taking into effect the additional Debt Service Charges to be incurred following issuance thereof.

Additional Bonds issued under the provisions and within the limitations of this Section shall be payable from the Trust Estate on a parity with the Series 2004B Bonds, and all the covenants and other provisions of this Indenture (except as to details of such Additional Bonds inconsistent herewith) shall be for the equal benefit, protection and security of the Owners of the Series 2004B Bonds and the Owners of any Additional Bonds subsequently issued from time to time within the limitations of and in compliance with this Section. All Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Trust Estate, and their source of and security for payment from said Trust Estate, without preference of any Bond over any other.

No Additional Bonds shall be issued at any time, however, unless all the payments into the respective funds and accounts provided for in this Indenture on account of the Bonds then Outstanding, and any other payments provided for in this Indenture, shall have been made in full as required to the date of delivery of the Additional Bonds.

For purposes of calculating the Maximum Annual Debt Service and the Additional Bonds test, variable rate indebtedness shall be assumed to bear interest at (i) if interest on the indebtedness is excludable from gross income under the applicable provisions of the Internal Revenue Code, the most recently published Bond Buyer “Revenue Bond Index” (or comparable index if no longer published) plus 50 basis points, or (ii) if interest is not so excludable, the interest rate on direct U.S. Treasury Obligations with comparable maturities plus 50 basis points; provided, however, that for purposes of any rate covenant measuring actual debt service coverage during a test period, variable rate indebtedness shall be deemed to bear interest at the actual rate per annum applicable during the test period.

Section 2.12. Special Obligations. The Bonds are payable solely out of the Pledged Revenues and other amounts held under this Indenture. The Bonds are special, self-liquidating obligations of the Issuer and shall not be deemed to be general obligations or debts of any manner or nature of the Issuer or the State within the meaning of or as contemplated by the
Constitution of the State, and the credit or taxing power, if any, of the Issuer or the State shall not be pledged therefor. No Owner of any of the Bonds shall ever have the right to compel the exercise of the taxing power, if any, of the Issuer or the State to pay the Bonds or the interest thereon.

In making such selection the Trustee or DTC shall treat each Bond as representing that number of Bonds of the lowest authorized denomination as is obtained by dividing the principal amount of such Bonds by such denomination.

Section 3.07. Notice of Redemption. When the Trustee shall receive notice from the Issuer of its election or direction to redeem Bonds pursuant to Sections 3.03 or 3.04, when redemption of Bonds is required by this Indenture pursuant to Section 3.02 or when redemption of any Additional Bonds is required pursuant to any Supplemental Indenture, the Trustee shall give notice, in the name of the Issuer, of the redemption of such Bonds. Notice of any such redemption shall be given by the Trustee by mailing a copy of the redemption notice by registered or certified mail (postage prepaid) not less than 30 nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed in whole or in part at the address shown on the Bond Register. Failure to give such notice by mailing to any Owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds with respect to Bonds or portions thereof for which no failure has occurred.

All notices of redemption shall be dated and shall state (i) the redemption date; (ii) the Redemption Price; (iii) the identifying number and CUSIP number (and in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; (iv) the date of issuance of the Bonds; (v) the interest rate or rates and maturity date or dates of the Bonds to be redeemed; (vi) that on the redemption date the Redemption Price will become due and payable on each such Bond and interest thereon will cease to accrue thereon from and after said date; (vii) the agent name, contact person and address where such Bonds are to be surrendered for payment; and (viii) any other descriptive information that, in the opinion of the Trustee, is needed to identify accurately the Bonds being redeemed. A second notice shall be sent if after 60 days from the redemption date such Bonds have not been surrendered for payment.

Notice of any redemption of Bonds shall either (i) explicitly state that the proposed redemption is conditioned on there being on deposit in the applicable fund or account on the redemption date sufficient money to pay the full redemption price of the Bonds to be redeemed, or (ii) be sent only if sufficient money to pay the full redemption price of the Bonds to be redeemed is on deposit in the applicable fund or account.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of such Bonds receives the notice.

Unless the Bonds to be redeemed are in Book-Entry form, in addition to the foregoing notice, further notice shall be given by the Trustee as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any
manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption.

(b) Each such further notice shall be published once in The Bond Buyer of New York, New York or, if such publication is impractical or unlikely to reach a substantial number of the Owners of the Bonds, in some other financial newspaper or journal which regularly carries notices of redemption of other obligations similar to the Bonds, such publication to be made at least 30 days prior to the date fixed for redemption.

(c) Upon the payment of the Redemption Price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 3.08. Partial Redemption of Bonds. Upon surrender of any Bond for redemption in part only, the Issuer shall execute, and the Trustee shall register, authenticate and deliver to the Owner thereof, a new Bond or Bonds of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

The Issuer and the Trustee may agree with DTC that DTC may, in lieu of surrendering a partially redeemed Bond for a new Bond, endorse on such Bond a notice of such partial redemption, which notice shall set forth, over the signature on behalf of DTC, the payment date, the principal amount redeemed and the principal amount remaining unpaid. Such partial redemption shall be valid upon payment of the amount thereof to the Owner of any such Bond and the Issuer and the Trustee shall be fully released and discharged from all liability to the extent of such payment irrespective of whether such endorsement shall or shall not have been made upon the reverse of such Bond by DTC and irrespective of any error or omission in such endorsement.

Section 3.09. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Bonds so called for redemption shall become and be due and payable at the Redemption Price provided for on such date. If on the date fixed for redemption moneys for payment of the Redemption Price and accrued interest are held by the Trustee or Paying Agent as provided herein, interest on such Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee or the Paying Agent and the amount of such Bonds so called for redemption shall be deemed paid and no longer Outstanding.
ARTICLE IV

GENERAL COVENANTS

Section 4.01. Payment of Principal and Interest. The Issuer covenants to promptly pay the principal or Redemption Price of and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof, provided that the such principal or Redemption Price and interest shall be payable solely from the Trust Estate, which is hereby pledged to the payment thereof.

Section 4.02. Performance of Covenants by Issuer. The Issuer covenants to faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining hereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State, including particularly the Act, to issue the Bonds authorized hereby and to execute this Indenture, and to pledge the amounts hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and for the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the Issuer according to the terms thereof and hereof.

Section 4.03. Instruments of Further Assurance. The Issuer agrees that the Trustee may defend the Pledged Revenues for the benefit of the Owners of the Bonds against the claims and demands of all Persons whomsoever. The Issuer covenants to do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, pledging, assigning and confirming unto the Trustee all and singular the rights assigned hereby and the amounts pledged hereby to the payment of the principal of and interest on the Bonds. The Issuer covenants and agrees that, it will not sell, convey, assign, pledge, encumber or otherwise dispose of any part of the Trust Estate except as herein provided.

Section 4.04. Tax Covenants. The Issuer and the Trustee shall at all times do and perform all acts and things permitted by law and this Indenture which are necessary or desirable in order to assure that the interest paid on the Bonds (or any of them) shall not be includable in the gross income of the Owners thereof for federal income tax purposes, and specifically, will not permit at any time or times any of the proceeds of the Bonds or other funds of the Issuer to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any of the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

The Issuer and the Trustee jointly and severally covenant with the Owners of the Series 2004B Bonds from time to time Outstanding, that so long as any of the Series 2004B Bonds remain Outstanding, moneys held under this Indenture, whether or not such moneys were derived from the proceeds of the sale of the Series 2004B Bonds or from any other sources, will
not be used in any manner which to their knowledge will cause the interest on the Series 2004B Bonds to become subject to federal income taxation. The Issuer and the Trustee reserve the right, however, to make any investment of such moneys permitted by the terms of this Indenture if, when and to the extent that the Code shall be repealed or interpreted to permit such investment or shall be held void by final judgment of a court of competent jurisdiction, but only if such investment made by virtue of such repeal, interpretation or decision would not, in the opinion of Bond Counsel, result in making the interest on the Series 2004B Bonds subject to inclusion in the gross income of the Owners thereof for federal income tax purposes.

Section 4.05. Fees. The University shall require all students of the University to pay the Fees, subject to pro rata reduction for part-time students and for waivers required by the West Virginia Code.

Section 4.06. Obligation To Plan, Design, Construct, Acquire and Equip Project. The Issuer shall cause the planning, design, construction, acquisition and equipping of the Project to proceed with due diligence and to be completed in accordance with the plans and specifications therefor.

Section 4.07. Rate Covenant and Fees. The Lessee has fixed and will assess and maintain just and equitable Fees, which shall at all times be adequate to produce Pledged Revenues sufficient to make the prescribed payments into the funds and accounts created under this Indenture. The amount of the Fees shall be revised from time to time to provide Pledged Revenues each Fiscal Year equal to at least 100% of Maximum Annual Debt Service.

Section 4.08. Operation and Maintenance. The Issuer will maintain the Project in good condition, making such expenditures for equipment and for renewal, repair and replacement as may be necessary therefor.

Section 4.09. Books and Records; Audited Statements. The Issuer covenants that all books and documents in its possession relating to all receipts and disbursements with respect to the Bonds, the Project and the Fees shall at all times be open to inspection by such accountants or other agencies as the Trustee may designate.

The Issuer will cause the financial statements with respect to the Fees to be audited by a Certified Public Accountant, whose audited report shall be submitted to the Trustee and the Original Purchasers within 180 days after the end of each Fiscal Year during which Bonds are Outstanding, accompanied by an Issuer’s Certificate to the effect that as of the end of such period, the Issuer was not in Default under the terms hereof and specifically demonstrating compliance with the requirements of Section 4.07 hereof.

Section 4.10. Insurance. The Issuer will carry such insurance and in such amounts as is customarily carried with respect to properties similar to the Project, with a reputable insurance carrier or carriers, against loss or damage by fire, explosion, hurricane, earthquake, cyclone, occupancy or other hazards and risks. The Issuer will require that each of its contractors and all subcontractors maintain, prior to the Completion Date, workers’ compensation coverage, public liability insurance, property damage insurance and vehicle
liability insurance. The Issuer will itself, or will require each contractor and subcontractor to, obtain and maintain builder’s risk insurance (fire and extended coverage) to protect the interests of the Issuer, the prime contractor and all subcontractors as their interests may appear, during construction of the Project in the full insurable value thereof. The Net Proceeds of all such insurance policies shall be disposed of as provided in this Indenture and otherwise shall be placed in a construction fund and used only for the repair and restoration of the damaged or destroyed properties. The Issuer will also carry liability insurance for damage or injury to persons or property in amounts adequate for such purposes and customarily carried with respect to works and properties similar to the Project. The Trustee shall be named as a loss payee, additional insured, mortgagee or other appropriate status under all such policies.

Notwithstanding any of the foregoing, the Issuer may provide for the insurance required by this Section 4.10 through the State Board of Risk and Insurance Management or by any program of self-insurance that the State provides for itself and its agencies.

Section 4.11. Damage or Destruction of Project. In the event of the damage or destruction of all or a part of the Project and the receipt of Net Proceeds equaling or exceeding $500,000, the Issuer shall either (a) repair and restore the Project or portion thereof to substantially its condition or condition of at least equivalent value, immediately prior to such event, in which instance the Net Proceeds shall be paid to the Issuer for the purpose of such repair and restoration, or (b) direct that a redemption of a portion of the Bonds shall occur in accordance with the provisions of Section 3.04 hereof, in which instance the Net Proceeds shall be paid into the Bond Fund. If the Net Proceeds are less than $500,000, the Net Proceeds shall be used as provided in clause (a) of the preceding sentence, provided, however, that repair and restoration shall not be required in the event that after such casualty the Issuer remains in compliance with the requirements of Section 4.07 hereof.

Section 4.12. Other Obligations and Encumbrances. The Issuer shall not issue any other obligations whatsoever, except Additional Bonds provided for in Section 2.11 hereof, payable from the Pledged Revenues, which rank prior to, or equally, as to lien on and source of and security for payment from the Pledged Revenues with the Bonds; and all obligations hereafter issued by the Issuer and payable from the Pledged Revenues, except such Additional Bonds, shall contain an express statement that such obligations are junior and subordinate as to lien on and source of and security for payment from such Pledged Revenues and in all other respects to the Bonds.

The Issuer shall not create, or cause or permit to be created any debt, lien, pledge, assignment, encumbrance or any other charge having priority over or, except with respect to said Additional Bonds, being on a parity with the lien of the Bonds, and the interest thereon, upon any of the Pledged Revenues or upon the Project or any part thereof.
ARTICLE V

DEPOSIT OF BOND PROCEEDS; FUNDS AND ACCOUNTS;

Section 5.01. Creation of Funds and Accounts. There are hereby created and ordered established, the following trust funds and trust accounts to be held by the Trustee:

(a) The Construction Fund;
(b) The Costs of Issuance Fund;
(c) The Bond Fund, which shall contain the following accounts:
   (i) The Interest Account; and
   (ii) The Principal Account; and
(d) The Rebate Fund.

Section 5.02. Deposit of Series 2004B Bond Proceeds. The proceeds of the sale of the Series 2004B Bonds, including accrued interest thereon, shall be deposited immediately upon payment and delivery of the Series 2004B Bonds as follows:

(i) All interest accrued on the Series 2004B Bonds from the date thereof to the date of delivery thereof ($__________) shall be deposited in the Interest Account and applied to payment of interest due on the Series 2004B Bonds on December 1, 2004.

(ii) A sum in the amount of $__________, representing costs of issuance, shall be deposited in the Costs of Issuance Fund and applied to payment of costs relating to the issuance of the Series 2004B Bonds.

(iii) The sum of $__________ shall be deposited in the Construction Fund and applied to the payment of costs of the planning, design, acquisition, construction and equipping of the Project.

Proceeds of any series of Additional Bonds will be applied as provided in the Supplemental Indenture for such series of Bonds.

Section 5.03. Costs of Issuance Fund.

(a) The proceeds of the Bonds deposited in the Costs of Issuance Fund shall be used and withdrawn by the Trustee only as provided in this Section 5.03. No amount in any other fund or account created by this Indenture shall be expended for Costs of Issuance.

(b) The Trustee is authorized and directed to make disbursements from the Costs of Issuance Fund for Costs of Issuance set forth on the settlement statement or closing memorandum delivered in connection with the issuance of the Series 2004B Bonds and, in
addition, upon receipt from time to time of an Issuer’s Certificate setting forth the amounts due and payable, together with such other documentation as may be required hereunder, and certifying that such amounts may be properly paid. The Trustee shall make such disbursements not later than five days after receipt of all the documentation required by this Section 5.03(b).

(c) Notwithstanding any provision to the contrary, any amounts remaining in the Costs of Issuance Fund 180 days after the Closing Date shall be transferred to the Construction Fund.

Section 5.04. Source of Payment of Bonds. The Bonds and all payments by the Issuer hereunder are not general obligations of the Issuer or the State but are special, limited obligations payable solely from the Trust Estate. The pledge of the Trust Estate, including the Pledged Revenues, and the funds and accounts as security for the performance of all obligations of the Issuer hereunder, shall be valid and binding from the time such pledge is made. The Pledged Revenues immediately shall be subject to the lien of this Indenture without any physical delivery thereof or further act. Upon receipt of any Pledged Revenues or other payments hereunder, the Trustee shall deposit the same in the appropriate fund or funds or account or accounts established hereunder. Except as otherwise provided herein, the Pledged Revenues shall be collected, held and applied for the equal and ratable benefit and security of all Owners.

Section 5.05. Application of Pledged Revenues. If no Event of Default has occurred and is continuing (in which case all Pledged Revenues must be deposited with the Trustee upon receipt), the Issuer shall make the following payments from the Pledged Revenues, in the order of priority set forth below:

(a) On April 15 and October 15 of each year, beginning October 15, 2004, the Issuer shall deposit in the Interest Account in the Bond Fund an amount equal to the Debt Service Charges for interest coming due on the next succeeding Interest Payment Date (less any amount then on deposit in the Interest Account and available for such payment);

(b) On April 15 and October 15 of each year, beginning October 15, 2004, the Issuer shall deposit in the Principal Account in the Bond Fund an amount equal to one-half the Debt Service Charges for principal coming due on the next succeeding Principal Payment Date; and

(c) The Issuer shall also, from the Pledged Revenues, remit to the proper Person on such dates or at such other times, amounts as shall be required to pay the Administrative Expenses.

When April 15 or October 15 is not a Business Day, then such payments shall be made on the next succeeding Business Day, and all such payments shall be remitted to the Trustee with appropriate instructions as to the custody, use and application thereof consistent with the provisions of this Indenture.

Section 5.06. The Bond Fund. There shall be deposited to the credit of the appropriate account of the Bond Fund moneys required to be deposited in the Bond Fund pursuant to Section 5.05(a) and (b) hereof and any other moneys required hereunder to be
transferred thereto or for which no other designation as to a fund or account has been made. Subject to such priorities of application as are established herein, moneys on deposit in the Bond Fund shall be used to pay Debt Service Charges when due at maturity, upon prior redemption, prepayment or acceleration, or otherwise.

Section 5.07. Bonds Not Presented for Payment. In the event any Bonds shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption or prepayment thereof or the acceleration of maturity, if moneys sufficient to pay such Bonds are held by the Trustee, the Trustee shall segregate and hold such moneys in trust, without liability for interest thereon, for the benefit of the Holders of such Bonds who shall, except as provided in the following paragraph, thereafter be restricted exclusively to such fund or funds for the satisfaction of any claim of whatever nature on their part under this Indenture or relating to said Bonds.

Any moneys which the Trustee shall segregate and hold in trust for the payment of the Debt Service Charges on any Bond and which remain unclaimed for two years after such Debt Service Charges have become due and payable shall be paid to the Issuer. After the payment of such unclaimed moneys to the Issuer, the Holder of any such Bond shall thereafter look only to the Issuer for the payment thereof, and all liability of the Trustee with respect to such moneys shall thereupon cease.

Section 5.08. Rebate Fund.

(a) The Rebate Fund shall be separate from any other fund established and maintained hereunder or under any laws governing the creation and use of funds by the Issuer. There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Regulatory Agreement. Subject to the transfer provisions provided in paragraph (e) below, all money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Amount (as defined in the Tax Regulatory Agreement), for payment to the federal government of the United States of America, and neither the Issuer nor the Holder of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section, and by the Tax Regulatory Agreement (which is incorporated herein by reference).

(b) Notwithstanding any other provisions herein, the Trustee shall deposit amounts to the Rebate Fund from deposits by the Issuer or from amounts available for such purpose held in the Construction Fund and the Bond Fund, if and to the extent required, when stipulated pursuant to the Tax Regulatory Agreement. Computations of the Rebate Amount shall be furnished to the Trustee in accordance with the Tax Regulatory Agreement.

(c) The Trustee shall have no obligations to rebate any amounts required to be rebated pursuant to this Section, other than from moneys held in the funds and accounts created under this Indenture or from other moneys provided to it by the Issuer.
(d) The Trustee shall invest all amounts held in the Rebate Fund in Permitted Investments as directed by the Issuer and subject to the restrictions set forth in the Tax Regulatory Agreement.

(e) The Trustee shall remit part or all of the balances in the Rebate Fund to the United States. At the direction of the Issuer, any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor satisfactory to the Trustee shall be withdrawn and remitted to the Issuer.

(f) Notwithstanding any other provision of this Indenture, the obligation to remit the Rebate Amounts to the United States and to comply with all other requirements of this Section and the Tax Regulatory Agreement shall survive the defeasance or payment in full of the Bonds.

Section 5.09. Moneys Held in Trust. Except where moneys have been deposited with or paid to the Trustee pursuant to an instrument restricting their application to particular Bonds, all moneys required or permitted to be deposited with or paid to the Trustee or any Paying Agent under any provision of this Indenture and to be used to pay Debt Service Charges, and any investments thereof, shall be held by the Trustee or that Paying Agent in trust. Except (i) for moneys deposited with or paid to the Trustee or any Paying Agent for the redemption of Bonds, notice of the redemption of which shall have been duly given and (ii) for moneys held by the Trustee pursuant to Section 5.07 hereof, and (iii) for moneys held in the Rebate Fund, all moneys described in the preceding sentence held by the Trustee or any Paying Agent shall be subject to the lien hereof while so held.

Section 5.10. Payment to the Issuer. After the right, title and interest of the Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the Issuer to the Holders shall have ceased, terminated and become void and shall have been satisfied and discharged in accordance with Article VIII hereof, and amounts due and owing to the United States of America pursuant to Section 5.09 hereof and all fees, expenses and other amounts payable to the Issuer, the Trustee, the Registrar, any Authenticating Agent, any Paying Agent, the Rebate Analyst and the Disclosure Agent, pursuant to any provision hereof shall have been paid in full, any moneys remaining in any fund or account held under this Indenture (other than moneys held for the payment of Debt Service Charges) shall be paid to the Issuer, except as otherwise provided in Section 5.10 hereof.

ARTICLE VI

CONSTRUCTION FUND

Section 6.01. Construction Fund. Moneys deposited in the Construction Fund shall be used and applied solely for the payment of the Costs of the Project. With the approval of Bond Counsel, the Issuer may be reimbursed for all or a portion of the cost of acquisition or construction of the Project. Any moneys not needed immediately for said purposes shall be
invested in Permitted Investments having maturities so as to enable the moneys to be available as deemed necessary by an Authorized Representative. If for any reason such moneys, or any part thereof, are not necessary for, or are not applied to, such purposes, then such unapplied moneys may, with the approval of Bond Counsel, be used for other capital construction or acquisition needs for the Capital Projects during the period of three years following the issuance of the Series 2004B Bonds and, thereafter, shall be held by the Trustee in escrow and used to redeem the Series 2004B Bonds at the first redemption date and, prior thereto, to pay a proportional amount of the principal of the Series 2004B Bonds. All such moneys shall constitute a trust fund for such purposes, and until so applied, there is hereby created a lien upon such moneys in favor of the Owners.

The Trustee is hereby authorized to disburse moneys from the Construction Fund to pay Costs of the Project upon receipt of a requisition signed by an Authorized Representative. Each such requisition shall state with respect to each payment to be made:

(i) The requisition number;

(ii) The name and address of the Person to whom payment is due or to whom an advance by the Issuer has been made;

(iii) The amount to be paid; and

(iv) That each obligation mentioned therein has been properly incurred, is currently due and payable, is a proper charge for a portion of the Costs, is unpaid or unreimbursed and has not been the basis of any previous requisition.

In making any payment from the Construction Fund, the Trustee shall conclusively rely on any requisition delivered to it in accordance with this Section 6.01 and the Trustee shall be relieved of all liability for making any such payments in accordance with such requisition without inspection of the Project or any other investigation.

Section 6.02. Completion of the Project. The Issuer shall deliver a Certificate to the Trustee certifying that the construction, improvement and equipping of the Project has been completed as of a date certain, which date certain shall be the Completion Date.

ARTICLE VII

INVESTMENT OF MONEYS

Section 7.01. Investment of Moneys. Except as otherwise provided in this Indenture, any moneys held as a part of the funds and accounts created pursuant to this Indenture shall be invested or reinvested by the Trustee at the written direction of the Issuer in any Permitted Investments; provided, however, that, in the absence of any direction from the Issuer, the Trustee shall keep such funds invested in Defeasance Obligations.
Except as otherwise specifically provided herein, any such investment shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund in which such moneys were originally held. Any loss resulting from such investments shall be charged to such fund. Any interest or other gain from any fund from any investment or reinvestment shall be allocated and transferred as follows:

(a) Any interest or other gain as a result of any investments or reinvestments of moneys in the Bond Fund shall remain in the Bond Fund;

(b) Any interest or other gain realized as a result of any investments or reinvestments of moneys in the Construction Fund shall be credited to the Construction Fund until the Completion Date, and thereafter to the Bond Fund.

The Trustee shall value the investments held for any fund at the lower of cost or then current market, or at the redemption price thereof if then redeemable at the option of the owner, including the value of accrued interest and giving effect to the amortization of discount. The Trustee shall sell at the best price reasonably obtainable and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund is insufficient to make the payments required from such fund regardless of the loss on such liquidation. The Trustee may make any and all investments permitted by this Section 7.01 through its own bond department.

In making investments of the moneys held hereunder the Trustee may rely on the written direction of the Issuer and shall not be liable for any investments made in violation of the covenant as to arbitrage contained herein or otherwise, if made pursuant to such direction.

All investments shall be valued as of the end of each Bond Year and on such other dates as required by the term of this Indenture.

ARTICLE VIII

DISCHARGE OF INDENTURE

Section 8.01. Discharge of Indenture. (a) Subject to the provisions of (b) through (g) of this Section 8.01, if the Issuer shall pay or cause to be paid, or there shall be otherwise paid, to or for the Owners of the Bonds, the Debt Service Charges due or to become due thereon at the times and in the manner stipulated therein from the funds and accounts established hereunder as a part of the Trust Estate, and shall pay or cause to be paid to the Trustee all sums of money due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, determine and become void, whereupon the Trustee shall cancel and discharge the lien of this Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to cancel and discharge the lien hereof, and release, assign and deliver unto the Issuer, any and all of the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee or otherwise subject to the lien of this Indenture, except moneys or securities held by the Trustee for the payment of the Debt Service Charges on the Bonds.
(b) The Bonds shall be deemed to be paid within the meaning of Section 8.01(a) if all Bonds shall have become due and payable in accordance with their terms at their stated maturity or otherwise as provided in this Indenture or have been duly called for redemption, or irrevocable instructions to call the Bonds for redemption or to pay the Bonds at their stated dates of maturity have been given to the Trustee and either (i) the whole amount of the principal and interest so due and payable upon all of the Bonds (other than Bonds theretofore canceled or delivered to the Trustee for cancellation) shall have been paid or (ii) there shall have been deposited with the Trustee Defeasance Obligations which are non-callable prior to the stated maturity thereof and having stated maturities arranged so that the principal or redemption price of and interest becoming due and payable on such Defeasance Obligations will under any and all circumstances (and without further investment or reinvestment of either the principal amount thereof or the interest earned thereon) be sufficient (as confirmed by a Certified Public Accountant) to pay and discharge the entire indebtedness of each Bond, not theretofore delivered to the Trustee for cancellation, or Debt Service Charges to the stated maturity or redemption date or dates, as the case may be, thereof.

(c) If all Bonds have not become due and payable, the Issuer shall deliver to the Trustee a ruling of the Internal Revenue Service or an opinion of Bond Counsel to the effect that the operation of this Section 8.01 would not cause interest on the Bonds to become includable in the gross income of the Owners thereof for federal income tax purposes or cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(d) If the date of satisfaction and discharge of this Indenture is more than six months prior to the stated maturity date of the Bonds, and redemption of the Bonds is then required by the Issuer, arrangements, satisfactory to the Trustee, shall be made for the giving of notice of redemption of the Bonds on the date selected for redemption.

(e) The Issuer shall deliver to the Trustee a certificate on behalf of the Issuer and an opinion of Bond Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

(f) In the event of an advance refunding, the Issuer shall cause to be delivered a verification report of an Independent nationally recognized Certified Public Accountant. If a forward supply contract is employed in connection with the refunding, (i) such verification report shall expressly state that the adequacy of the escrow to accomplish the refunding relies solely on the initial escrowed investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the applicable escrow agreement shall provide that in the event of any discrepancy or difference between the terms of the forward supply contract and the escrow agreement (or the authorizing document, if no separate escrow agreement is utilized), the terms of the escrow agreement or authorizing document, if applicable, shall be controlling.

(g) The obligation of the Issuer to pay the fees and expenses of the Trustee, and to indemnify the Trustee (but only from Pledged Revenues), shall survive defeasance of the Bonds.
ARTICLE IX

DEFAULT PROVISIONS AND REMEDIES
OF TRUSTEE AND BONDHOLDERS

Section 9.01. Defaults; Events of Default. If any of the following events occur, it is hereby defined as and declared to be and constitute an “Event of Default”:

(a) Default by the Issuer in the due and punctual payment of any interest on any Bond;

(b) Default by the Issuer in the due and punctual payment of any Principal Installment;

(c) Upon the expiration of the period for filing a responsive pleading, in the event any proceeding is instituted in a court of competent jurisdiction which may adversely affect the lien of the Owners upon the Trust Estate, unless (i) a responsive pleading has been filed on behalf of the Issuer contesting the bona fides of such proceeding or (ii) the Issuer causes an opinion of counsel (which counsel must be reasonably satisfactory to the Trustee) to be delivered to the Trustee to the effect such proceeding is without merit; or

(d) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer contained in this Indenture or in the Bonds and failure to remedy the same after notice thereto pursuant to Section 9.10.

Section 9.02. Rights and Remedies of Trustee. Upon the occurrence of an Event of Default the Trustee may pursue any available remedy at law or in equity to enforce the payment of the principal of and interest on the Bonds then Outstanding, including, but not limited to, a proceeding in mandamus to enforce any rights on behalf of the Owners or the appointment of a receiver for the protection of the Owners.

If an Event of Default shall have occurred, and if requested to do so by the Owners of no less than 25% of the Bonds Outstanding and indemnified as provided in Section 10.01(1) hereof, the Trustee shall be obligated to exercise one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners.

The Trustee shall have the right to compel an immediate accounting with respect to the Pledged Revenues in the event the Pledged Revenues are not transferred to the Trustee in accordance with the terms hereof.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Owners) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owners hereunder or now or hereafter existing at law or in equity or by statute.
No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein; and every such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Owners, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 9.03. Right of Owners to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority of the Bonds Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken by the Trustee in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

In the event the Trustee receives conflicting instructions from the Owners of the Bonds, the Trustee shall follow the instructions of the Owners of the greatest principal amount of Bonds if the greatest principal amount is at least 25% of the Bonds Outstanding.

Section 9.04. Appointment of Receiver. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate, pending such proceedings, with such powers as the court making such appointment shall confer.

Whenever all Debt Service Charges then due shall have been paid and made good, and all defaults under the provisions of this Indenture shall have been cured and made good, possession of the Trust Estate shall be surrendered to the Issuer upon the entry of an order of the court to that effect. Upon any subsequent default, the Trustee shall have the same right to secure the further appointment of a receiver upon any such subsequent default.

Such receiver, in the performance of the powers hereinafore conferred upon him or her or it, shall be under the direction and supervision of the court making such appointment, shall at all times be subject to the orders and decrees of such court and may be removed thereby, and a successor receiver may be appointed in the discretion of such court. Nothing herein contained shall limit or restrict the jurisdiction of such court to enter such other and further orders and decrees as such court may deem necessary or appropriate for the exercise by the receiver of any function not specifically set forth herein.

Such receiver shall have no power to sell, assign, mortgage or otherwise dispose of any assets of any kind or character belonging or pertaining to the Project or the Trust Estate, but the authority of such receiver shall be limited to the collection of the Fees, for the sole purpose of the protection of both the Issuer and Owners, and the curing and making good of any default under the provisions of this Indenture, and the title to and ownership of said Trust Estate.
shall remain in the Issuer, and no court shall have any jurisdiction to enter any order or decree permitting or requiring such receiver to sell, mortgage, or otherwise dispose of any assets of the Trust Estate.

Section 9.05. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, fees, liabilities and advances, including counsel fees, incurred or made by the Trustee, be deposited in the Bond Fund, and all moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST -- to the payment to the persons entitled thereto of all interest then due on the Bonds, in the order of the due dates of such interest and, if the amount available shall not be sufficient to pay in full said amount, then to the payment ratably, according to the amounts due to the persons entitled thereto, without any discrimination or privilege;

SECOND -- to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due (other than the Bonds matured for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they became due at the rates borne by the Bonds and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege; and

THIRD -- to be held for the payment to the persons entitled thereto as the same shall become due of the principal of and interest on the Bonds which may thereafter become due at maturity and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with interest then due and owing thereon, payment shall be made ratably according to the amount of principal due on such date to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

Section 9.06. Remedies Vested in the Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be
brought in its name as the Trustee without the necessity of joining as plaintiffs or defendants any Owner of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the Owners of the outstanding Bonds.

Section 9.07. Rights and Remedies of Bondholders. No Owner of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver of any other remedy hereunder, unless (i) a default has occurred of which the Trustee has been notified as provided in Section 10.01(h) hereof, or of which by said subsection it is deemed to have received notice, (ii) such default shall have become an Event of Default and the Owners of not less than 25% of the Bonds Outstanding shall have made written notice to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in their own name or names, (iii) they have offered to the Trustee indemnity as provided in Section 10.01(1) hereof, and (iv) the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name; and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; its being understood and intended that no one or more Owners of the Bonds shall, solely by virtue of being such Owner, have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit to the Owners of all Bonds then outstanding. However, nothing contained in this Indenture shall affect or impair the right of any Owners to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective Owners thereof at the time, place, from the sources and in the manner in the Bonds expressed.

Section 9.08. Termination of Proceedings. In the case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property herein subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 9.09. Waivers of Events of Default. The Trustee may at its discretion waive any Event of Default hereunder and its consequences, and shall do so upon the written request of the Owners of (i) more than two-thirds of the Bonds Outstanding in respect of which default in the payment of principal or interest, or both, exists, or (ii) more than 50% of the Bonds Outstanding in the case of any other default; provided, however, that there shall not be waived (a) any Event of Default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless, prior to such waiver or rescission, all arrears of interest or all arrears of payments
of principal when due, as the case may be, with interest on overdue principal at the rate borne by
the Bonds, and all expenses of the Trustee in connection with such default shall have been paid
or provided for, and in case of any such waiver or rescission, or in case any proceedings taken by
the Trustee on account of any such default shall have been discontinued or abandoned or
determined adversely, then and in every such case the Issuer, the Trustee and the Owners shall be
restored to their former positions and rights hereunder, respectively, but no such waiver or
rescission shall extend to any subsequent or other default, or impair any right consequent
thereon.

Section 9.10. Notice of Defaults Under Section 9.01(d); Opportunity of Issuer to
Cure Such Defaults. Anything herein to the contrary notwithstanding, no default under
Section 9.01(d) shall constitute an Event of Default until actual notice of such default by first
class mail (postage prepaid) shall be given to the Issuer by the Trustee or by the Owners of not
less than 25% of the Bonds Outstanding affected by such default, and the Issuer shall have had
60 days after receipt of such notice to correct said default or cause said default to be corrected,
and shall not have corrected said default or cause said default to be corrected, and shall not have
corrected said default or caused said default to be corrected within the applicable period;
provided, however, if said default be such that it cannot be corrected within the applicable
period, it shall not constitute an Event of Default if corrective action is instituted by or on behalf
of the Issuer within the applicable period and diligently pursued until the default is corrected.

Section 9.11. Acceleration and Annulment Thereof.

(a) Upon the occurrence of an Event of Default specified in Section 9.01 hereof,
and at any time thereafter while such Event of Default shall continue in each and every case,
unless the principal of all the Bonds shall already have become due and payable, the Trustee may
and, upon written request of the Owners of 25% of aggregate principal amount of the Bonds then
Outstanding shall declare the principal of all the Bonds then Outstanding, and the interest
accrued thereon, to be due and payable immediately, and upon any such declaration the same
shall become and be immediately due and payable, anything in this Indenture or in any of the
Bonds contained and to the contrary notwithstanding.

(b) The provisions of the preceding paragraph however, are subject, to the
condition that if, after the principal of the Bonds has been so declared to be due and payable, all
arrears of interest upon the Bonds (and interest on overdue installments of interest at the
maximum rate permitted by law or two percent over the interest rate on the respective Bonds,
whichever is less) are paid by or on behalf of the Issuer, and no Event of Default or event which,
with the passage of time or the giving of notice, or both, would constitute an Event of Default, is
continuing hereunder, and the Issuer also performs or causes to be performed all other things in
respect to which the Issuer may have been in default hereunder and pays (but only from the
Pledged Revenues) or causes to be paid the reasonable charges of the Trustee and the Owners,
including reasonable attorneys fees, then, and in every such case, the Trustee may annul such
declaration and its consequences and such annulment shall be binding upon the Trustee and upon
all Owners of Bonds issued hereunder; but no such annulment shall extend to or affect any
subsequent default or impair any right or remedy consequent thereon.
ARTICLE X

THE TRUSTEE

Section 10.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture and agrees to perform said trusts, but only upon and subject to the following express terms and conditions to all of which the Issuer agrees and the respective Bondholders agree by their acceptance of any of the Bonds:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorneys (who may be the attorney or attorneys for the Issuer), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds, or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not the Trustee.

(e) Except with respect to the matters covered in Section 12.01 hereof, the Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. The Trustee shall not withhold unreasonably its consent, approval or action to any reasonable request to the Issuer. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond,
shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed by the Authorized Representative of the Issuer as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may, at its discretion, secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for other than its gross negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the Issuer to cause to be made any of the payments to the Trustee required to be made by Article V or the failure of the Issuer to file with the Trustee any document required by this Indenture to be so filed subsequent to the issuance of the Bonds, unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the owners of at least 25% of the Bonds Outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal office of the Trustee, and, in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(i) At any and all reasonable times, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right fully to inspect any and all of the property herein conveyed, including all books, papers, and records of the Issuer pertaining to the Pledged Revenues and the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of such any cash, or any action whatsoever within purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash or the taking of any other action by the Trustee.
(l) Before taking the action referred to in Section 9.02 or 9.07 hereof, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful default by reason of any action so taken.

(m) All moneys received by the Trustee or any Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

Section 10.02. Fees, Charges and Expenses of Trustee. The Trustee shall be entitled to payment and reimbursement for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services solely from moneys available therefor. Upon an Event of Default, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of and interest on any Bond upon the Trust Estate for the foregoing fees, charges and expenses incurred by it.

Section 10.03. Notice to Owners in the Event of Default or Certain Other Occurrences. If a default occurs of which the Trustee is by Section 10.01(h) required to take notice or if notice of default be given as in Section 10.01(h) provided, then the Trustee shall promptly give written notice thereof by registered or certified mail to the Owners of all Bonds then Outstanding shown on the Bond Register.

Section 10.04. Intervention by Trustee. In any judicial proceeding concerning the issuance or the payment of the Bonds to which the Issuer is a party and which in the opinion of the Trustee has a substantial bearing on the interests of Owners of the Bonds, the Trustee may intervene on behalf of Owners and shall do so if requested in writing by the owners of at least 25% of the Bonds Outstanding and being provided a bond as described in Section 10.01(l) hereof.

Section 10.05. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto shall be and become successor Trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 10.06. Resignation by Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 90 days’ written notice by registered or certified mail to the Issuer and by first class mail (postage prepaid) Owners of each
Series 2004B Bond, and such resignation shall take effect upon the appointment of a successor Trustee by the Owners or by the Issuer. The Issuer hereby agrees to make a reasonable effort to appoint such a successor Trustee within a reasonable period of time.

Section 10.07. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer signed by the Owners of a majority in aggregate principal amount of the Bonds Outstanding.

Section 10.08. Appointment of Successor Trustee by the Bondholders: Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Owners of a majority in aggregate principal amount of the Bonds Outstanding, by an instrument or concurrent instruments in writing signed by such Owners, or by their attorneys in fact, duly authorized and a copy of which shall be delivered personally or sent by registered mail to the Issuer. Nevertheless, in case of such vacancy, the Issuer may appoint a temporary Trustee to fill such vacancy until a successor trustee shall be appointed by the Owners in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by the Owners. Notice of the appointment of a successor trustee shall be given in the same manner as provided in Section 10.06 with respect to the resignation of a Trustee. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing, which has combined capital, surplus and undivided profits of not less than $50,000,000. No resignation or removal of the Trustee, Paying Agent or Bond Registrar shall become effective until a successor has been appointed and has accepted the duties of Trustee, Paying Agent or Bond Registrar, as applicable, and the appointment of any successor thereto.

Section 10.09. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its or his predecessor and also to the Issuer, an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessors shall, nevertheless, on the written request of the Issuer, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its or his successor. Should any instrument in writing from the Issuer be required by a successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where this Indenture shall have been filed or recorded, if any.
Section 10.10. Designation and Succession of Paying Agent. The Issuer at all times shall employ one or more Paying Agents for the Bonds. Initially, the Issuer hereby appoints the Trustee as Paying Agent. Any bank or trust company with or into which any Paying Agent may be merged or consolidated, or to which the assets or business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Indenture. If the position of Paying Agent shall become vacant for any reason, the Issuer shall, within 30 days thereafter, appoint a bank or trust company as such Paying Agent to fill such vacancy; provided, however, that if the Issuer shall fail to appoint such Paying Agent within said period, the Trustee shall make such appointment. Other Paying Agents may be appointed pursuant to Article X hereof by the Issuer if in its discretion additional Paying Agents are deemed advisable.

The Paying Agent shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in Section 10.01 hereof with respect to the Trustee insofar as such provisions may be applicable.

Notice of the appointment of additional Paying Agents shall be given in the same manner as provided in Section 10.08 hereof with respect to the appointment of a successor Trustee.

Section 10.11. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that, in case of litigation under this Indenture and, in particular, in case of the enforcement hereof on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or taken any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate Co-Trustee. The following provisions of this Section are adopted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate Co-Trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate Co-Trustee but only to the extent necessary to enable such separate or Co-Trustee to exercise such powers, rights, and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or Co-Trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the Issuer be required by the separate or Co-Trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. In case any separate or Co-Trustee or a successor to either shall die, become incapable of acting,
resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate or Co-Trustee.

ARTICLE XI

SUPPLEMENTS AND AMENDMENTS

Section 11.01. Supplemental Trust Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may, without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

(a) To cure any ambiguity or defective provision or omission to this Indenture;

(b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the judgment of the Trustee, is not to the prejudice of the Bondholders;

(c) To subject to this Indenture additional revenue, properties or collateral;

(d) To comply with the provisions of the Code, as now or hereafter amended, and any applicable court decisions, if such amendment, in the opinion of Bond Counsel, will insure that the tax-exempt status of interest on the Bonds is not impaired;

(e) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States of America, and, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute;

(f) To evidence the appointment of a separate or Co-Trustee or the succession of a new Trustee or Paying Agent hereunder;

(g) To provide for the issuance of a series of Additional Bonds; or

(h) To comply with the requirements of any nationally recognized rating agency as long as such requirements do not impair the security for the Bonds or adversely effect other ratings on the Bonds.

Section 11.02. Supplemental Trust Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 11.01, subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than
two-thirds of any series of Outstanding Bonds shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Trustee for the purpose of modifying, altering, amending adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture relating to such series of Bonds; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the consent of the owners of all Outstanding Bonds of any series, (a) an extension of the maturity date of the principal of or the interest on any Bond of such series, or (b) a reduction in the principal amount of any Bond of such series or the rate of interest thereon, or (c) a privilege or priority of any Bond of such series over any other Bonds of any series, or (d) a reduction in the principal amount of such series of Outstanding Bonds required for consent to such supplemental indenture, or (e) the creation of any lien other than a lien ratably securing all of the Outstanding Bonds of such series at any time, or (f) any modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee without the written consent of the Trustee.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed by registered or certified mail to each owner of a Bond of a series effected thereby. Such notices shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal office of the Trustee for inspection by all Bondholders of series effected thereby. If, within 60 days or such longer period as shall be prescribed by the Issuer following the mailing of such notice, the holders of not less than two-thirds of the Bonds Outstanding of a series effected thereby at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond of such series shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as permitted and provided for in this Section and the delivery to the Trustee of an opinion of Bond Counsel that such supplemental indenture is in compliance with the provisions hereof, this Indenture shall be and be deemed to be modified and amended in accordance herewith.

ARTICLE XII
