

Shepherd College Board of Governors
November 13, 2003
Agenda Item No. 9

ADMISIONS POLICY

The State admissions policy was transferred by the Higher Education Policy Commission to the institutional boards of governors, but the Policy Commission retained certain authority in Series 23, *Standards and Procedures for Undergraduate Admissions*. Each institutional governing board was directed to adopt its own admissions policy, consistent with the Policy Commission rule.

The following pages contain a draft of Shepherd College's rule to establish standards and procedures for undergraduate admissions. The campus was notified last year that the process of reviewing and revising the admissions policy had begun and various constituent groups have offered suggestions.

Following the November Board of Governors meeting, the policy will again be posted for comments and will then be brought back to the Board of Governors for its approval. No formal action by the Board of Governors is required at this time.
