

Shepherd University Board of Governors
September 9, 2004
Agenda Item No. 5

SPECIAL COURSE FEE

In the Family and Consumer Sciences Program, the Food and Meal Management (FACS 202) course includes a substantial purchase of food items which are prepared and consumed by the students. A course fee of \$25 per student would offset some of the costs that are unique to this course, and the department has recommended the adoption of such a fee to help manage the expense of the program.

The following resolution is recommended for adoption by the Board:

RESOLVED, That the Shepherd University Board of Governors approves the \$25 Course Fee for FACS 202, Food and Meal Management, as presented in the agenda book.
