

WATCH ALL FOUR
SEGMENTS OF THE FILM,
The Human Face

Starring JOHN CLEESE

Wednesdays from 7-8pm
throughout the month
of September

Learn a lot and laugh a lot as Cleese presents information on the evolution of human facial features, the face's role in sexuality, communication through facial expressions and the face's essential role in defining identity. Each week, different themes will explore the ideals of physical beauty, the reasons why visual development and artistic expression focus on the face, the nature of celebrity/fame, and how facial expressions can alter the way we feel.
