## FROM THE PRESIDENT

For the last three years, Shepherd University has been in the silent phase of a \$20 million fundraising campaign, the first of this magnitude undertaken by the University.

With many donors and volunteers stepping up to make gifts, Shepherd was able to celebrate a major fundraising milestone with a series of events at Homecoming 2009. In an exciting halftime celebration, we proudly revealed that Shepherd had reached the \$16 million mark, 80 percent of our goal. (That great news does, however, mean that \$4 million is still left to raise!)

Everyone can play a role in making the Create the Future Campaign a success. I ask that every Shepherd supporter please make a gift to Shepherd at this crucial point in our campaign. If you haven't given before, please consider making your first gift, whatever the amount. To our faithful donors, thank you for your loyal support. Please consider giving a little more this year if you are able.

To make giving to Shepherd University as simple as possible, a gift envelope is bound into this publication. You can, of course, also give online through Shepherd's secure giving site at [ShepConnect.shepherd.edu](http://ShepConnect.shepherd.edu).

Your gifts make a difference to Shepherd University and its students. With your generous support, we've been able to continue to offer an excellent and affordable Shepherd degree. We seek to provide more and more scholarships to deserving Shepherd students so that even in tough economic times, they can continue their education.

On behalf of Shepherd University, our students, faculty, and staff, I thank you for your support. Let's combine our efforts to make the Create the Future Campaign a success!

Suzanne Shipley, Ph.D.  
President  
Shepherd University

Jerry Kerr '68, recently retired partner in the accounting firm of Yount, Hyde and Barbour in Winchester, Virginia, is an active member of the Shepherd University Foundation board of directors and ardent supporter of the University. He and his wife, Carol, have established the

Kerr Endowed Scholarship which supports awards to accounting majors and the Jerry and Carol Kerr Endowment for Faculty Excellence, which supports recruiting and retaining distinguished faculty.

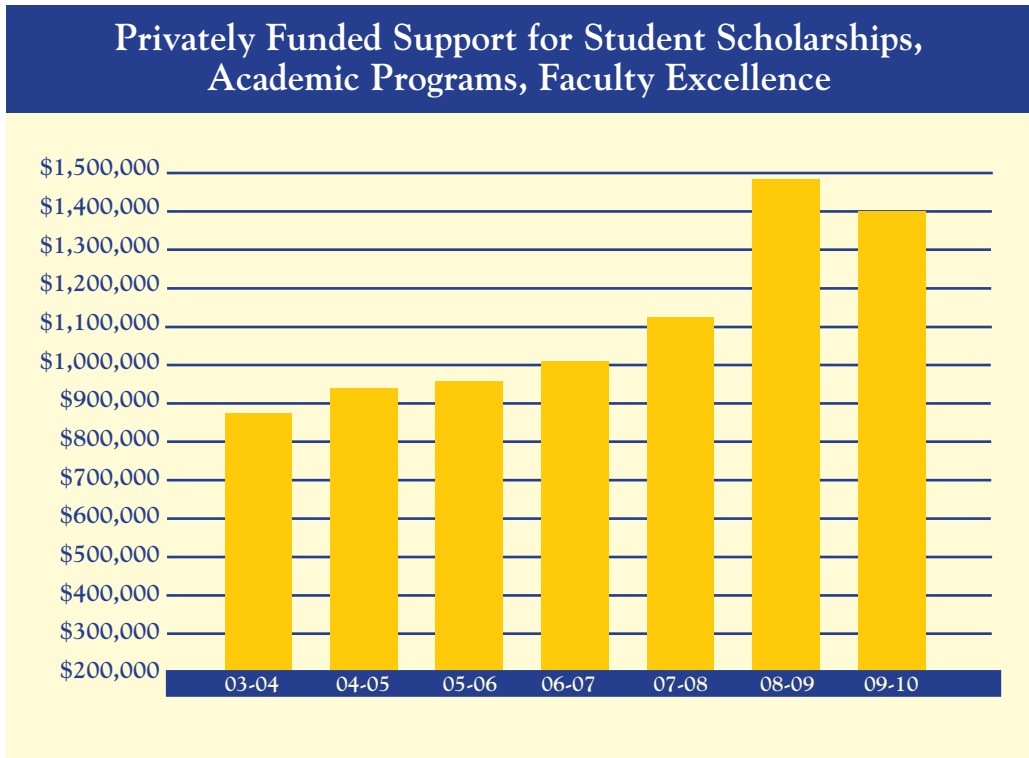

## Motivated Students and Resourceful Faculty

Shepherd University is proud to serve as an economic engine for the state of West Virginia and the surrounding region, and as a center for higher learning and culture. Shepherd graduates serve society as teachers, scientists, artists, musicians, business and community leaders, and entrepreneurs.

Shepherd University students are motivated and resourceful in financing their educations; however, despite innovative use of resources, Shepherd's tuition and fees have risen and students bear the burden of these increased costs. Private annual and endowed gifts through the Shepherd University Foundation directly assist students through scholarship awards.

Likewise, faced with steadily declining state support, Shepherd's faculty, administrators, and staff continue to creatively use all resources at their disposal to provide students with an outstanding educational experience. Donations to support academic programs directly benefit the classroom learning environment. Gifts to endow faculty excellence funds serve to recruit and retain the highest level of distinguished scholars to teach Shepherd students.

Our state, region, and country will prosper as Shepherd University produces more graduates. Through the forward-thinking generosity of donors and proficient fiscal management, students and faculty alike continue to be motivated and inspired in the classroom and in society.

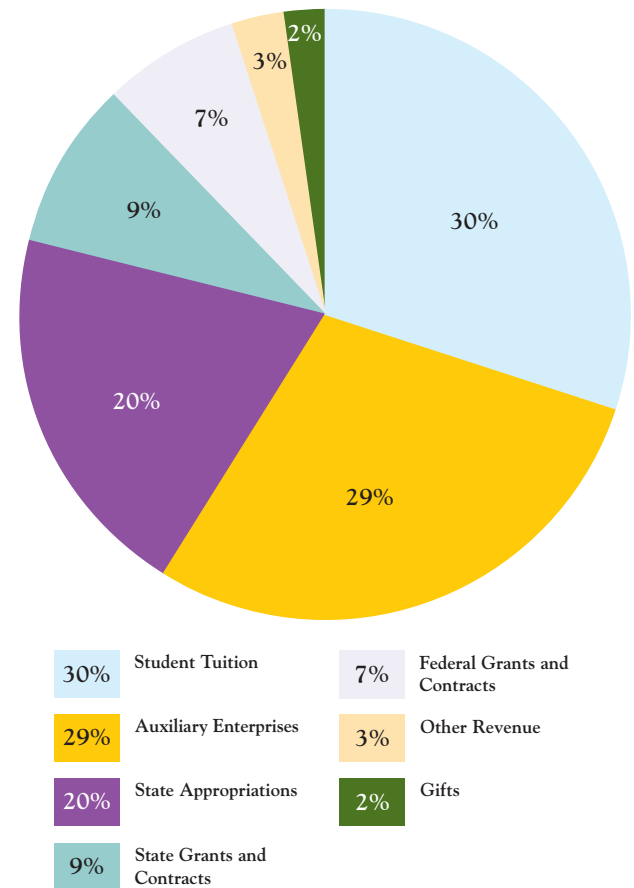

## How is Shepherd University funded?

Shepherd University is a state-assisted institution. During the 2008-09 academic year, only 20 percent of Shepherd's budget was funded by the state of West Virginia. State support for institutions of higher learning has been steadily declining in recent years. Students depend more and more on private scholarships to bridge the gap between family finances and the cost of their education.

Faculty members rely on limited private funds for academic research and technology to inspire and sustain innovative curriculum. Endowed faculty excellence awards assist Shepherd to recruit and retain distinguished faculty members who inspire our students to excel.

Your private gift will make a difference.
