Elevator and ADA rest rooms to be installed

Beginning on Monday, November 23, through Sunday, January 10, 2010, the Student Center elevator will not be available for use due to a complete replacement of all systems associated with new installation. This \$155,000 project will include major ADA and safety requirements to meet state and federally mandated laws and codes.

Wheelchair access to the ground floor will be through existing front entrance doors to bookstore, SGA, and Rambler card offices while access to the Ram's Den, Fireside Bistro, information center, and student affairs offices will be via the driveway and patio door entrance. The second and third floors will not be accessible during this period. Those offices affected may make arrangements to meet clients in the Rumsey Gallery during this time.

In addition, there will be upgrading to the third floor restrooms to meet current federal ADA standards during this same period. The Storer Ballroom will not be accessible during the same time frame because of both upgrades.
