The six-year graduation rate includes those students entering in Fall 2001 and completing degrees within 150% of the usual time to completion by the end of their sixth summer (Summer 2007). This includes students completing the certificate within one and a half years, associate's degree within three years, and / or the baccalaureate within six years.

Four-year rates are the mean rates for the 1998, 1999, 2000, and 2001 entering cohorts of full-time, first-time-in-college freshmen.

** within the data provided for students receiving athletic aid indicates a cohort or subcohort with five or fewer students. This information is suppressed due to student privacy issues.

-- indicates a category with no students (an empty category).
