The total number of credit students enrolled in 2013-14 is a nonduplicated headcount of all students taking courses for credit during that year; that is, each student is counted only once, regardless of the number of semesters the student was enrolled.

Other men's sports include soccer and tennis.

Other women's sports include lacrosse, soccer, softball, tennis, and volleyball.

Note: As of Fall 2009, the new federal race / ethnicity reporting categories have been implemented. Data from that time or later (such as the 2013-14 enrollment numbers shown here) were collected using the new categories. Data originating before that time (such as the race and ethnicity of students in the Fall 2008 cohort on the next page) has been mapped to the new categories.

The six-year graduation rate includes those students entering in Fall 2008 and completing degrees within 150% of the usual time to completion by the end of their sixth summer (Summer 2014).

Four-year rates are the rates for the combined 2005, 2006, 2007, and 2008 entering cohorts of full-time, first-time-in-college freshmen.

** within the data indicates a cohort or subcohort with five or fewer students. This information is suppressed due to student privacy issues.

- indicates a category with no students (an empty category).
