

SEXUAL MISCONDUCT/INTERPERSONAL VIOLENCE REPORT FORM

What is sexual misconduct?

Sexual misconduct includes: rape, sexual assault, sexual exploitation, sexual harassment, domestic and dating violence, stalking, and all other forms of interpersonal violence.

Who is required to report sexual misconduct?

Except as described below, any University employee, whether faculty or staff, who receives a complaint or otherwise learns about a possible incident of sexual misconduct involving a member of the Shepherd University community as complainant or alleged perpetrator **must** complete this report form. Employees responsible for completing the report include student employees whose duties include supervision or teaching of other students (e.g., Resident Assistants, Teaching Assistants, Teaching Fellows, etc.).

You may also use this form to report an incident of sexual misconduct if you are the complainant or if you are not a Shepherd University employee.

Are there University employees who may keep reports of sexual misconduct confidential?

An employee who becomes aware of a complaint of sexual misconduct while acting in his or her capacity as a member of the clergy, counseling services, health services, or the University Ombudsperson may keep reports of sexual misconduct confidential pursuant to the employee's professional and legal obligations, **unless** the complainant requests that the employee report the complaint.

What if a complainant requests confidentiality?

Even if a complainant requests confidentiality or is unwilling to proceed with a complaint, Shepherd University employees are required to report the complaint to the Title IX Coordinator. If confidentiality is requested, the University will take reasonable steps to investigate and respond to the complaint, consistent with the complainant's request. In all cases the University will weigh its responsibility to provide a safe and nondiscriminatory environment against the complainant's request for confidentiality. The determination of whether and how to proceed will be made by the appropriate University official in consultation with the complainant.

What resources are available to complainants?

The University's Interpersonal Violence Resource Center can be located at <http://www.shepherd.edu/safweb/SUIVRC/> and describes resources available to a complainant. In cases involving sexual violence, the complainant may also wish to contact the Sexual Assault Victims advocates at <http://www.shepherd.edu/counseling/sexual-assault-victim-advocates-sava>. The complainant also has a right to file both an internal complaint and a criminal complaint.

What happens with the information I provide?

This report will be submitted to the University's Title IX Coordinator, Annie Lewin, who will determine the next steps for prompt and equitable resolution. Please contact her at (304) 876-5067 or alewin@shepherd.edu if you have any questions.
