President Mary J.C. Hendrix  
Shepherd University  
Office of the President  
301 N. King Street  
Shepherdstown, WV 25443

  
Dear President Hendrix,

On behalf the trustees, faculty, staff, and students of the UNC Asheville, I congratulate you on your appointment as President of Shepherd University. You are arriving at an important time for higher education and I am confident that as you address the challenges and responsibilities of this position, you will make lasting contributions to the field.

I was unable to attend this special occasion, however I am delighted that Wayne Presnell, UNC Asheville Class of 1990, attended on behalf of the University.

Once again, congratulations and well wishes as you celebrate this exciting time in your life! I look forward to seeing you at the COPLAC annual meeting in June!

Sincerely,

  
Mary K. Grant, Ph.D.  
Chancellor
