## Students in the Spotlight

The IELP staff are proud to announce that our former student, Jarrett Choi, was recruited to play soccer for Waynesburg University in Pennsylvania. While we are sad to see him leave Shepherd, we wish Jarrett much success in his academic and athletic pursuits. Jarrett was such a positive addition to our English program, and we know he will do well wherever he goes.

## Upcoming Superstars

Emmanuel Kouadio of the Ivory Coast joined us in early August. Emmanuel will be enrolled full time in the fall to study English and begin pursuing a degree at Shepherd. We were thrilled to learn that he is rooming with Doctor of Nursing student, Felix Gouanette. Emmanuel is a dedicated and hardworking student, and we know he will be a great addition to our campus.

## Our Spectacular Staff

Dr. Lois Jarman attended the EducationUSA Forum in Washington, D.C., July 31-August 2. EducationUSA is a program of the State Department designed to increase international student populations on American campuses and to increase the presence of American university students on campuses abroad. Dr. Jarman was able to attend several sessions on regions of the world where students are highly interested in coming to the U.S. to study.

## IELP On Tour

This summer we had the opportunity to attend a Frederick Keys baseball game. We had a grand time eating and cheering the home team on to a win! We were also able to take a day trip to Gettysburg and tour the battlefield. Lots of summer fun!

## Special Guest Appearances

Thirteen advisers from EducationUSA visited Shepherd's campus on Thursday August 3. The campus visit was arranged by David Smith of West Virginia University and Shepherd's Dr. Charles Nieman. Our IELP summer students had the opportunity to meet and speak with the advisers to share their personal experiences at Shepherd.
