

# Student Computer Account

## CAMPUS NETWORK ACCESS

Your computer account is created shortly after you pay your enrollment deposit. Your username and password can then be retrieved through the RAIL system. It will allow you to access:

- campus-owned computers
- internet in residence halls
- wireless network
- Shepherd email
- personal network disk space
- shared network disk space
- Sakai (learning management system)
- RamPulse
- Good Living

For more information about computer buying guidelines, how to register a personal computer, and how to connect a game console to residence hall internet, please visit [www.shepherd.edu/iservices/for-new-students](http://www.shepherd.edu/iservices/for-new-students).

## Initial Account Setup

1. Visit [www.shepherd.edu/rail](http://www.shepherd.edu/rail).
2. Click on the **Login to RAIL** link.
3. Enter your **SID** (Shepherd ID) and your **PIN** on the user login screen.  
*NOTE: If this is your first time logging in, your PIN will be your six-digit birth date, MMDDYY.*
4. Click on **Personal Information** on the welcome screen.
5. Click on **Password Management** at the bottom of the page.
6. Click **Change Password**.
7. Enter your new password twice (see the password rules below) and click on **Change Password**. A confirmation page will state your password has been changed. Your new password may take up to 10 minutes to synchronize with our systems.

### Password Rules:

- Six to 15 characters
  - USE: uppercase and/or lowercase letters and numbers
  - DO NOT include special characters such as ! & \$ ^
8. To protect your privacy, click on **EXIT** in the upper right corner and close your browser when you have finished viewing.
