INSTRUCTORS

HEAD COACH
Wayne Riser, in his 16th season as head coach at Shepherd, will be camp director. He has led the Rams to 327 wins, 8 WVIAC Northern Division Titles, 3 Regular Season Titles and finished one game away from the NCAA D-2 World Series, twice. In addition, he won the WVIAC conference championship for the first time in 2004. He was named West Virginia Intercollegiate Athletic Conference Coach of the Year in ’94, ’97, and ’02. Every offensive school record has been broken since Riser took over in 1991. Coach Riser will be working mainly with the hitting portion of the camp.

ASSISTANT COACH
Kris Kam is in his 3rd season with the Rams. Before joining the Shepherd staff, Kris pitched at Mansfield University, where he was an 11th round draft pick of the Houston Astros. He then coached with Mansfield for 2 seasons.

PREPARING FOR THE HIGH SCHOOL SEASON.

The objective of the Ram Baseball Pre-season Hitting and Pitching Camp is to prepare the camper for the upcoming high school baseball season.

West Virginia, Virginia, Maryland, and Pennsylvania do not allow the high school teams to start practice until approximately March 1. The Ram Baseball Pre-season Hitting and Pitching Camp is a great way to get a head start on the official high school baseball season.

The Butcher Athletic Center, located on the campus of Shepherd University, is the home of the camp. Loaded with top of the line equipment such as drop-down batting cages and new indoor pitching mounts, the Butcher Center gives the player looking for the "Jamp on the competition" that opportunity.

The past two year's camps were great successes and this year's camp will fill up much faster. Our camp has limited enrollment allowing for more personalized instruction. Completing the registration process early gives each camper a better chance at his desired time-slot.

CAMP GOALS:

- Provide each camper with the maximum amount of reps to prepare for the season.

- Give the camper the maximum amount of individualized instruction.

HOW IT WORKS

The camp will take place on 5 consecutive Sundays beginning on January 15th. Each camper will pick between hitting or pitching. Mark the first 3 desired time-slots accordingly on the registration form; which should be mailed along with full payment. A confirmation letter will be sent out confirming your time-slot. Each camper will receive their first choice as long as space allows. If one of your choices is not available you will receive a call to discuss available time-slots. Tuition for the camp is $160.

Each hitting time-slot will have only eight campers and each pitching time-slot will have only six campers. Each time-slot will fill on a first come first serve basis. A time-slot will only be guaranteed with full payment. The full hour will be devoted to hitting or pitching, however IT IS POSSIBLE to do both in different time-slots. This would cost two camp enrollments. Consideration will be given to those campers who wish to have back to back time-slots for hitting and pitching.

Each pitcher will be throwing to college catchers and each hitter will have the assistance of current Shepherd players. Having current college players around to workout with allows the campers to concentrate on the task at hand, therefore completing more quality repetitions.

Each camper will receive a camp T-Shirt.

REGISTRATION FORM

Please mark your top 3 choices.
