"It's More than a Game..." This year's theme as defined by the players:

\textbf{IT'S MORE THAN A GAME}
\textit{It's more than a game:} wbb (2002-2003)

1: it's a way of life, it's what drives you to wake up before daylight to run, it's what sends you to the weight room on Friday nights instead of to a party (CL)
2: coming together as a team and feeding off each other's intensity and hunger to win (LF)
3: systematic, logical method to reinforce strategic and options in the game of life (CMa)
4: it's about relationships (AO)
5: learning to work with others (LM)
6: it's everything behind the scenes (DM)
7: combination of practice, hard work, teamwork, attitude, coachability (LS)
8: sacrificing yourself to become a better basketball player (CK)
9: not wasting yours or others time and effort, it is a job (CMu)
10: pre-season, post-season, off season - getting things done in the classroom (G"N"R)
11: time, effort, emotions, teamwork, teammates (Av)
12: it's an attitude (AC)
13: it's our lives (LM)
14: sacrificing your body, time, and all that you are in order to succeed and reach another level in competition (BH)

Shepherd College is a state-supported institution within the West Virginia system of higher education. From its beginnings over a century ago, the College has evolved into a comprehensive center of higher learning, serving a number of related, yet distinct roles:

- The College offers Bachelor of Arts, Bachelor of Fine Arts, Regents Bachelor of Arts, and Bachelor of Science degrees in a wide range of fields, encompassing the liberal arts, business administration, teacher education, the social and natural sciences, and other career-oriented areas.
- The Community and Technical College of Shepherd offers a diverse selection of programs leading to associate’s degrees.
- The College provides credit courses for individuals with no degree aspirations, but who seek to broaden and update their knowledge in either familiar or new fields of intellectual endeavor.
- For the northern Shenandoah Valley region as a whole, the College is a center for non-credit continuing education, public service, and convenient citizen access to extensive programs in art, music, athletics, and other areas of public interest.

**The History of Shepherd College**

Shepherd College began when the county seat of Jefferson County, WV, was moved from Shepherdstown to Charles Town in July 1871. The people of Shepherdstown and the vicinity decided to use the vacated courthouse for educational purposes. An article of incorporation for a school to be known as Shepherd College, designed to instruct students in “languages, arts and sciences,” was drawn up and signed by C.W. Andrews, A.R. Boteler, C.T. Butler, G.M. Beltzhoover, David Billmyer, Samuel Knott, and Henry Shepherd.

This body of incorporators gave itself power to elect instructors, pay salaries and prescribe courses of study. Professor Joseph McMurran was appointed first principal of the institution, which opened with 42 students in September 1871, under the authority of the Board of Trustees.

On Feb. 27, 1872, the Legislature of West Virginia passed the following act: “That a branch of the State Normal School be and the same is hereby established at the building known as Shepherd College, in Shepherdstown, in the county of Jefferson.”

Shepherd College became a four-year college for the training of teachers on July 1, 1930, at which time the institution began granting the Bachelor of Arts degree. Shepherd was authorized to implement liberal arts programs in 1943, and in 1950, the Bachelor of Science degree was added.

Also in 1950, Shepherd was accredited by the North Central Association of Colleges and Secondary Schools, and in 1951, it became a member of the Association of American Colleges. Accreditation was received from the National Council for the Accreditation of Teacher Education in 1954.

In recent years, other programs, including social welfare, music, and nursing, have been accredited, with all of the College’s programs having their accreditation renewed regularly.

In the past two decades, Shepherd has experienced a 200 percent enrollment growth and added 11 new buildings, including the $9 million Robert C. Byrd Science and Technology Center.

**Scenic and Historic Location**

Shepherd College is situated in the Shenandoah Valley, on the banks of the Potomac River, in historic Shepherdstown. The oldest town in the state, Shepherdstown is a quaint college community, with the town and campus combining to offer a unique learning-living environment.

Located in the Eastern Panhandle of West Virginia, Shepherdstown is within one mile of nearby Maryland and 20 miles of nearby Pennsylvania and Virginia. It is only 65 miles from Washington, D.C., and Baltimore, MD.

Within a short drive from the campus are such well-known historic landmarks as Harpers Ferry and the Antietam Battlefield.

Across the Potomac River from the campus is the Chesapeake and Ohio Canal National Historical Park. The C & O Canal Historical Trail, developed along the towpath of the old canal, is a beautiful recreational sanctuary, extending 180 miles.

**About Shepherd College**

Shepherd’s 4,400 students have the choice of more than 70 programs of study including bachelor’s degree programs and pre-professional studies through the College and two-year associate degrees through Shepherd’s Community and Technical College component.

Shepherd College is also the home of the George Tyler Moore Center for the Study of the Civil War and the Contemporary American Theater Festival, which features new and emerging playwrights.
Jodie Runner has given the Shepherd College women's basketball five years of dedication as an assistant and plans on extending that effort to an even higher level of commitment as the program's head coach. She brings out great enthusiasm and pride in both the girls and the program as a whole.

“These girls and this program are my passion, I’ve recruited them and spent the majority of my time with them. There is nothing more in this world that I would rather do than to try and help them reach their potential as a person and a player. To see the smiles on their faces when they finally succeed in something is priceless.”

On the Court
A change in command leads to changes in the style of coaching and the approach to the game. On the court the Shepherd women’s basketball team has been noted for its defense and unmatched intensity. After successfully ending the year as one of the best defensive teams in the WVIAC, Runner has placed a challenge on her girls to excel to an even higher level of defense. Defense is about one’s desire to dominate your opponent. Both the team and staff take pride in their defense and believe it will against be the strength for the program. Offensively the Rams will be challenged as well. A new philosophy has been added to the team’s offense. Runner is opening up great opportunities for her team to use their individual skills. She has incorporated a motion-like offense which will allow the players to adapt more to defensive changes and contribute to each other’s success.

“In essence, we are looking to turn up our defense and cut our offense loose a little bit. When our girls have the frame of mind where they are challenged each time on the defensive end to dominate and get a stop and then be relaxed on offense, I think we will be hard to beat.”

Off the Court
Runner strives to provide the learning atmosphere that emphasizes classroom dedication and individual commitment to one’s collegiate success. With close monitoring of her student-athletes in the classroom, continued success is expected.

“I have always told them that if they can’t get it done in the classroom, they don’t deserve to be on the court.”

Behind the Scenes
The SC women’s basketball team feels deeply about continuing their relationship with the surrounding community. The Rams enjoy returning support to those who have backed them throughout the years. After creating the Shepherd College Women’s Basketball Hoop Troop for the community kids, Runner has also strived to get her team involved with volunteering and other involvement in community projects.

“Our girls love giving back by working with people, especially children. In return they learn how important it is to be a good role model on and off the court when so many little eyes are watching them.”
Melanie Ford enters her first year as the program’s new assistant coach.

Ford comes to Shepherd from Wheeling Jesuit where she served as a graduate assistant while completing her master’s degree in business administration.

Prior to coach at Wheeling, Ford was a four-year letterwinner at the University of Charleston (1996-2000) where she earned First Team All-Conference honors as a junior and served as team captain as a senior. Ford helped lead the Golden Eagles to the WVIAC Tournament Championship in 1998-99. She also set several scoring records at UC.

Ford brings a wealth of basketball knowledge that began in Galveston, IN, where her father was her high school coach. In addition to her playing and coaching experience, Ford has had the opportunity to work several prestigious camps, including camps at Tennessee, Purdue, and Duke Universities.

At Shepherd she will be involved in every aspect of the program and solely responsible for many of them. After successfully directing preseason conditioning, the Rams are ready for another season of wearing down their opponents.

On the court Ford will be working with the guards and lending a hand on both offense and defense. Off the court she will serve as the recruiting coordinator and will also be responsible for travel, scouting, compliance, and various other duties. Ford also teaches classes at Shepherd.

“We are very lucky to have Melanie with us. She’s a perfect fit here at Shepherd. She has adapted with ease, due to her extensive experience in the WVIAC. With similar coaching philosophies, she has earned the trust the girls almost instantly. She will play a major role in any and all of our success in the seasons to come.” •Coach Runner
THE COACHES

Barb Oller

Student Assistant Coach

Joining the Ram basketball staff this year as a student assistant is Barb Oller.

Oller, a standout point guard for Shepherd for the last four years, returns to the team in a coaching capacity as she finishes her degree in education.

Oller will assist at all practices and home games and will help coordinate alumni relations. She will also be involved with Shepherd’s Hoop Troop, a program for the kids in the community.

“I am very glad that Barb decided to help us out this year. Due to her background as a former player here, she’s able to give even more extensive insight.” • Coach Runner

Bill Shirley

Equipment Manager

Entering his second year with the women’s basketball program is Bill Shirley.

Shirley is responsible for practice and game-day preparation. He handles all the equipment and filming responsibilities for the Rams. In addition, he assists with the Hoop Troop program and is an invaluable asset to the program.

“Billy is the guy behind the scenes that makes everything run smoothly. He is one of the most dependable people I know.” • Coach Runner
THE ADMINISTRATION

DR. DAVID L. DUNLOP
PRESIDENT

David L. Dunlop became president of Shepherd College in 1996. Prior to that time, he had spent many years developing his leadership skills through a variety of academic and administrative roles. Dr. Dunlop served as the chief academic officer at the University of Pittsburgh at Johnstown (UPIJ) for seven years and as interim president there for one year. He had risen through the ranks at UPIJ, starting in 1973 as a department chair, moving up to division chair, and then dean, before becoming vice president for academic affairs in 1989.

Dr. Dunlop earned a B.S. in secondary education in biology and physical science at The Pennsylvania State University in 1965. He obtained an M.Ed., also from Penn State, in 1966, in biological sciences education. Dr. Dunlop earned his Ph.D. in science education at the University of Pittsburgh.

As Dr. Dunlop progressed in his career, he was selected to participate in several academies and institutes, most notably the Institute for Educational Management at Harvard University.

Dr. Dunlop has had two books published as well as numerous articles which have appeared in national scholarly journals. He has made many presentations at state and national meetings, mostly related to computer and technology issues. He has extensive experience teaching at both the high school and college levels and has written many successful grants.

Dr. Dunlop participates in several civic organizations. He serves on the board of directors of BB&T; he is a member of the Shepherdstown Rotary, and he has served on the West Virginia International Trade Development Council.

MONTE CATER
DIRECTOR OF ATHLETICS

Now in his 10th year as athletic director is Monte Cater, a 1971 graduate of Millikin University. Cater was appointed the College’s director of athletics on February 5, 1993 and has served as the school’s football coach since 1987.

Cater oversees the operation and administration of Shepherd’s 13-sport NCAA Division II athletic program, while maintaining one of the top football programs in the WVIAC.

Cater wasted little time establishing himself as a winner at Shepherd as he led the Rams to a tie for the WVIAC title in 1988. A 6-3-1 record in 1990 earned the Rams a second-place finish in the WVIAC and served as a prelude to a two-year run of domination through the conference. Cater guided the 1991 team to an 8-3 record and the school’s first NAIA Playoff appearance since 1986. Although the Rams fell in the first round of the playoffs, they had established themselves as the team to beat in the WVIAC and finished the season ranked sixth nationally.

The 1992 season proved to be one of Cater’s best as head coach of the Rams as Shepherd compiled a 9-3 overall record, which included their second straight 7-0 mark in the WVIAC.

Cater led the Rams to one of their best seasons ever in 1997 with a 9-1 mark and a share of the WVIAC crown. Shepherd set numerous school records en route to its most exciting season since the undefeated team of 1955. In 1998, Cater led the Rams to a 10-2 mark and their first-ever trip to the NCAA II Playoffs. Shepherd upset Indiana (PA), 9-6, in the first round of the playoffs. He led the Rams back to the NCAA II Playoffs with in 1999 with a 9-2 mark.

Cater has been tabbed the WVIAC Coach of the Year five times (1991, 1992, 1997, 1998, 1999). Cater recently became the all-time winningest coach in SC football history. With Shepherd’s 35-21 win over Glenville this year, he passed Walter Barr (104-48-4) with his 105th win at Shepherd.

Prior to coming to Shepherd, Cater was the primary architect in reviving the Lakeland College program in Sheboygan, WI. In six seasons as the head coach at Lakeland Cater transformed the program into a winner, as the team won three conference titles in his last three seasons, while he was named Coach of the Year twice.

Cater, a member of the AFCA Board of Coaches, which conducts the NCAA II Football Poll, and chair of the WVIAC Athletic Directors, earned his B.A. in physical education from Millikin in 1971, before moving to SIU-Carbondale, where he earned his master’s in physical education as well.

Cater and his wife, Bonnie, reside in nearby Martinsburg, with their daughter, Taylor, and son, Logan.
Season Preview

Jodie Runner, top assistant coach at Shepherd for the past five seasons, takes over as head women’s basketball coach for the Rams. A solid core of veterans and a talented group of newcomers should help the Rams challenge for the conference title again this season.

Shepherd will be led by junior guard Cassie Murray and senior forward Brianne Hamilton. Murray, a two-time First Team All-Conference selection, averaged 11.6 points and 6.2 rebounds for the Rams last year, while Hamilton added a 7.0 scoring average and was a force on the boards with an 8.0 rebounding average.

The starting guard tandem of juniors Ashana Cowans (8.4 ppg) and Ashley van Norden (5.0 ppg) returns to lead the Rams in the backcourt.

Other key returnees include sophomore guards Carrie Kunkel (5.2 ppg) and Lindsay Stewart (1.5 ppg), junior guard/forward Gaynell Reese (3.7 ppg), and sophomore forward Danielle Murray (2.1 ppg). Valerie Chaney, a 6-foot-3 junior forward/center, returns to the team after missing last season to concentrate on playing volleyball for the Rams. LaShay Makal, a transfer from George Mason, expects to make a significant contribution for the Rams this year after battling injuries last year. Makal has also been chosen as a team captain.

Newcomers include freshmen Carolyn Malachi, LaToya Fisher, and Casey Landrum, and sophomore Lena Moore, a transfer from North Carolina A&T. All could make an immediate impact.

Shepherd will again have a tough non-conference schedule facing such challenging Division II opponents as Gannon, Shippensburg, and West Chester. The Rams face one of the most difficult regional schedules in the conference. Only two opponents (Mt. Aloysius, Marshall University) are not in the East Region.

A special thanks to athletic secretary Kathy Fasulo for her invaluable time and assistance.
