**ABOUT THIS PUBLICATION**

The President's Report and Honor Roll of Donors honors donors to Shepherd University during the 2011-12 fiscal year and provides an overview of Shepherd activities and events during the academic year.

The President's Report and Honor Roll of Donors is produced by the Shepherd University Foundation, Office of University Communications, Office of Alumni Relations, and Office of Advancement.

On the Cover: McMurran Hall.

Back Cover: Zan, Shepherd's ram mascot.
From the President

As I reflect on the past year, I am grateful for your continued support for the programs and needs at Shepherd University. Every day the impact of the Create Campaign asserts itself as we watch the second phase of the Center for Contemporary Arts take shape. It is a visual reminder of all that we accomplished over the last several years. Perhaps the greatest impact of Create has been the culture of success that we have built together. This success has inspired many more Shepherd alumni and friends to join in our mission, and it is exciting to see new faces and names joining our longtime supporters in our philanthropic efforts. The impact of this support is felt by students and staff, in classrooms and offices, and on athletic fields and courts where leadership is honed.

Your loyalty to Shepherd in uncertain economic times has allowed us to continue our mission of providing a premier liberal arts education. Your support has allowed our astronomy students to reach for the stars and our nursing students to train in a state-of-the-art facility. Every day Shepherd students will face challenges that a liberal arts education will help them address, and every day they gain the confidence that will carry them far beyond Shepherd University.

Leading and learning for life are at the core of what we do at Shepherd University and are part of what we expect from everyone who steps onto our campus. You will find throughout this report examples of how your investment in Shepherd prepares our students for the challenges ahead. We often hear from alumni who recruit Shepherd University graduates that our students are among the best trained, not only in their capability to perform, but in their ability to lead and take direction.

Educating a student takes a community. Your investments in the Scarborough Library brought us to the forefront of learning-delivery methods. Your support of athletics provides students a sense of empowerment and confidence that will translate to leadership of their communities and workforce.

Due in large part to the work of our volunteers, Shepherd University was honored with a Case Circle of Excellence Award in September. Selection was based upon our three-year growth rate and overall improvement in philanthropic programs. The award acknowledges superior accomplishments that have a lasting impact at an institution; it is rewarding to be recognized as a leader in philanthropy.

As you will see in these pages, generous resources have been committed to Shepherd, without which we could not succeed. I am grateful that you have chosen to join our efforts to create a better environment for learning, for performing, and for competition. As we look to the future, our role will be to provide the next generation of leaders with confidence and a desire to succeed. Thank you for the much needed financial support for our students. Our successes will be built upon your generosity.

Sincerely,

Suzanne Shipley, Ph.D.
President
Shepherd University

SHEPHERD REACCREDITED FOR 10 YEARS BY HIGHER LEARNING COMMISSION
The Higher Learning Commission, a commission of the North Central Association, continued Shepherd University’s accreditation for 10 years, with the next comprehensive accreditation scheduled for 2021-22. The HLC team visited the Shepherd campus in March 2012 to conduct a site visit. Shepherd was first accredited in 1950 by the North Central Association of Colleges and Secondary Schools.

REVISED CURRICULUM HELPS STUDENTS GRADUATE EARLY
A year after reducing the number of credits required for a bachelor’s degree through curriculum reform in general studies and in the major and minors, 62 seniors graduated one semester early. Shepherd’s accelerated graduation saved those students on average $4,300 each, for a total savings of $369,000.

PRESIDENT ANNOUNCES MARTINSBURG CAMPUS PLAN
In April 2012, President Suzanne Shipley announced her plan for Shepherd to offer classes in Martinsburg, designed for working adults who are part-time students and for graduate students in selected professional programs. In addition to serving an adult population in Berkeley County, the plan also helps alleviate stress on facilities in Shepherdstown, including parking and classroom availability. The goal of the outreach effort is to offer three to five degree-completion and graduate programs by fall 2013.

SOCIAL WORK PROGRAM REACCREDITED FOR EIGHT YEARS
The social work program, one of the first programs in the state to be accredited in 1976, was reaccredited for the next eight years by the Council on Social Work Education. Representatives from the CSWE met with community members, the social work advisory board, and students and examined the mission, goals, objectives, assessment, and diversity within the program during its site visit in October 2011.

SCHOLARSHIP ESTABLISHED TO HONOR FORMER SOCCER COACH MIKE DORAN

ALUMNIAE LAUNCH FUNDRAISING CAMPAIGN
The sisters of Phi Sigma Chi sorority launched a fundraising campaign to install a decorative railing commemorating Phi Sigma Chi at the Yellow House (Entler-Weltzheimer House) on High Street behind Snyder Hall. The Yellow House served as the sorority’s home during the 1940s. Shepherd received and matched a $34,419 grant from the West Virginia Division of Culture and History for exterior renovations. To date, the Entler-Weltzheimer House has received a new cedar-shake roof, foundation repair, and exterior repair and painting.

**President’s Report and Honor Roll of Donors 2011-12**

Clockwise, from top left: With Jules Verne’s “Around the World in 80 Days” serving as the literary theme of the 10th annual Scarborough Society Gala, Jim ‘68 and Mary ‘70 Staley took the opportunity to celebrate in festive and authentic Vietnamese garb. Serving as hosts of the popular friends of the library fundraising event, the Staleys are active alumni and supporters of the Scarborough Society Gala and Shepherd University.

Foundation President Ramon A. Alvarez ‘62 welcomed Mary Ann Rogers ‘60 into the Joseph P. McMurran Society at the group’s annual dinner reception honoring those who have chosen to include Shepherd University in their estate plans. Natives of the Eastern Panhandle, Mary Ann and her husband, Ed, began their teaching and administrative careers in the Eastern Panhandle. After pursuing successful careers at the board of education level in Colorado and Wyoming, they returned to Berkeley County. Mary Ann recently established the Edward and Mary Ann Rogers Education Scholarship to support students pursuing studies in the area of education.

Nene graduate Emily Stranzsky ‘12 was a visible Foundation scholar during her time at Shepherd, attending the biennial reception for donors and scholars hosted by President Suzanne Shipley and participating in the Foundation’s scholar photo days. She was a recipient of multiple Foundation awards, including the Business Administration Scholarship, the John Glenn Phillips Memorial Economics Scholarship, and the Joseph and William Byers Memorial Scholarship. Having graduated in 2012 with a degree in environmental sustainability, she expressed her appreciation for her beneficiaries by stating, “I am very thankful to receive these scholarships to attend college. To not be in debt when I graduate is going to be a great feeling!”

Carrie Stewart ’58 established the Violet Wilt Stewart Scholarship in memory of his beloved late wife, who passed away in February 2011 after 53 years of marriage. The two met as classmates at Shepherd when Violet agreed to attend a fraternity social with Carl as his blind date. A native of Old Fields, Violet had long been active in West Virginia’s 4-H center, located in Jackson’s Mill. Carl was also involved with 4-H prior to arriving at Shepherd and, as students, they were both officers in the school’s 4-H Club. It was Violet’s love for the 4-H organization that inspired her husband to endow a scholarship in her name using an inheritance she received following the sale of her family farm.

“I thought this would be a fitting use for the money,” said Carl, who returned to his alma mater in the spring to meet with President Suzanne Shipley, who thanked him for his generosity. “I believe the scholarship is something Violet would enjoy. She always loved Shepherd.” Funds from the Violet Wilt Stewart Scholarship will be used to provide financial assistance to students involved with the 4-H youth development organization, with a preference given to those from Hardy, Grant, or Pendleton counties.

President’s Report and Honor Roll of Donors 2011-12 17.
After receiving only a fifth-grade education, Ralph Burkhart went on to become a successful businessman as owner of an auto repair business, tire franchise, and oil distributorship. He also served as a director and one-time president of Peoples National Bank. His wife, Margaret Burkhart ’21, was a Berkeley County school teacher who served on the Shepherd University Foundation board of directors for many years. In 1982, Margaret Burkhart was named Outstanding Alumna of the Year, while her husband received a President’s Medal from Shepherd in 1995. And in 1987, a residence hall on West Campus was named in the couple’s honor. The Burkharts were avid collectors: he of cars, bicycles, and motorcycles, she of dolls and china. The couple, who invested heavily in real estate, stocks, and securities, was also extremely philanthropic, with generous gifts to Shepherd University.

The trust set up by Ralph and Margaret Burkhart upon their deaths allowed several scholarships to be established in their name, including the Burkhart Legacy Scholarship, which Shepherd student Rondah Lowe was selected to receive by the Honors Program. A social work major with a concentration in criminal justice, Lowe admits her scholarship award is a financial blessing and serves as an incentive for hard work. “I have a G.P.A. standing I must meet,” she said. “This challenges me to excel far above my own expectations.”

Like his father before him, Dr. Stanley Ikenberry ’56 has created his own legacy at Shepherd University. Together with his wife, Judy, and other family members, the former president of the University of Illinois created the Dr. Oliver S. Ikenberry Award for Human Service and the Margaret Ikenberry Memorial Fund for Popodicon Garden in tribute to his late parents. His father, Dr. Oliver Ikenberry, served as president of Shepherd from 1947-1968, a period in which the institution grew in academic stature and breadth of program offerings. He and Margaret were actively engaged with students, faculty, staff, and alumni and intimately involved with the community of Shepherdstown. Stan also created the Dr. Stanley O. Ikenberry Presidential Discretionary Endowment and is an outstanding alumnus and lifetime member of Shepherd’s Alumni Association. Stan and Judy are pictured with Monica Lingenfelter (center), executive vice president of the Shepherd University Foundation, at the annual Joseph P. McMurrann Society Dinner in April 2012.

The Joseph P. McMurrnan Society was established to honor those individuals who wish to provide for the future of Shepherd University with a planned gift or bequest. The McMurrnan Society provides recognition of donors who have made such plans and hosts events to honor the Society members as well as keep them informed about the progress Shepherd University is making and its plans for the future. The McMurrnan Society bears the name of Joseph P. McMurrnan, Shepherd’s first principal (president), who served from 1871 to 1882.

President’s Report and Honor Roll of Donors 2011-12
William Edward Moler ’65, known to all as Ned, will be remembered with respect and appreciation by the generations of Shepherd students who will receive his scholarship awards. After retiring from a successful career with IBM, this remarkable alumnus chose to leave his estate to the Shepherd University Foundation to endow the William E. “Ned” Moler Scholarship to provide general education scholarships. Each year into perpetuity, his generosity will provide 20 to 35 presidential-level awards to deserving Shepherd students. Ned’s gift will influence the lives of untold scholars who will carry his legacy into the future.

Sponsored by the Shepherd University Foundation every other fall, President Suzanne Shipley’s reception for donors and scholars unites scholarship, program, and faculty excellence award recipients with their benefactors. Sisters Susan Kurian (center) and Sara Kurian ’12 (r.) proudly attended the October 2011 event with their mother, Sobha Kurian.

Sara graduated just two months later at the end of the fall semester, earning a B.S. in chemistry with a concentration in biochemistry. Since her sophomore year, Sara had been a recipient of the Rubye Clyde McCormick Prestigious Scholarship, which awards the highest level of financial support to students demonstrating extraordinary academic achievement and leadership potential.

Biology major Susan Kurian followed in her sister’s scholarly footsteps with her award of the Robert C. Byrd Scholarship during the 2011-12 academic year. Now a senior, she received the Paul Saba Memorial Scholarship in 2012-13. This fund was established by the Kiwanis Club of Shepherdstown in honor of the late assistant professor of biology at Shepherd, who helped to charter the Kiwanis Club in 1978 and continued to be active locally and on the state level until his death in April 2001.

In spring 2012, Shepherd University history professor Dr. Robert Parkinson was appointed as the Ray and Madeline Johnston Endowed Chair of American History. Naming Dr. Parkinson to this position is a milestone in Shepherd’s history, as it marks the first-ever appointment of an endowed chair. At an April reception held in McMurran Hall, President Suzanne Shipley and Dr. Parkinson joined the Johnston family and Andrew Michael, a business partner and family friend who was instrumental in encouraging Ray and Madeline Johnston to endow the first chair at Shepherd University. Pictured (l. to r.) are President Suzanne Shipley, Dr. Robert Parkinson, Sally Johnston, Madeline Johnston, Joy Johnston Johnson and her husband Greg Johnson, and Andrew Michael ’75.

President’s Report and Honor Roll of Donors 2011-12
Help Shepherd University serve the future by building on the past

Students who choose to attend Shepherd University commit themselves academically to our institution at a critical coming of age. Alumni, faculty, and friends, meanwhile, have a commitment to the cultivation of Shepherd’s cultural and economic impact in West Virginia’s Eastern Panhandle and greater society.

Over the past year, many of Shepherd’s alumni and friends drew upon the past in committing themselves to the University’s future:

- Karl L. Wolf ’70 created four deferred endowments in support of general education, Shepherd athletics, and the local chapter of Lambda Chi Alpha, for whom he has served as advisor for 36 years.
- Al ’67 and Sara ’67 Lueck established the Monte Cater Silver Anniversary Endowed Football Scholarship in honor of Cater’s 25th anniversary as head coach of the Shepherd University football program.
- Timothy ’80 and Carole McShea created the Thomas Fehmel Scholarship in memory of a late friend and classmate who Tim feels exemplified ideals that he, himself, holds true.

While Shepherd is a state-assisted university, state support for institutions of higher learning has been in steady decline in recent years. During the 2011-12 academic year, only 18 percent of Shepherd’s budget was funded by the state of West Virginia. Private gifts through the Shepherd University Foundation are crucial in funding student scholarships, academic programs, and faculty excellence awards used for academic research and technology that inspire and sustain innovative curriculum.

Shepherd University’s first comprehensive campaign focused on creating a future for the institution as a premier liberal arts university. Upon the campaign’s successful completion in 2011, the University stood strong in its mission to serve as a center for academic, cultural, and economic opportunity in the state of West Virginia.

For more than 140 years, Shepherd students have strengthened society as leaders in education, healthcare, business and community affairs, and the arts. Through the generosity of their private gifts, Shepherd’s outstanding alumni and friends have been instrumental in building the University’s strong academic foundation.

Now is the time to commit to serving Shepherd’s future as well.
