

DON'T QUIT

Anything can happen.
Bend don't break.
Challenge your
potential.
Destiny is
a choice.
Effort
creates
opportunities.
Fly in the face
of adversity.
Get back up
and try again.
Hold on to your vision.
Impress yourself.
Just dig a little deeper.
Keep knocking on doors.
Learn from mistakes.
Motivate with compassion.
Nothing worthwhile comes easy.
Own a positive attitude.
Problems hold messages.
Question what's not working.
Regroup when you need to.
Shoot for the moon.
Think outside the box.
Understand 'This too shall pass'.
Value knowing when to walk away.
Work smarter not harder.
Xhaust all possibilities.
You can if you think you can.
Zest to do your best.
