** within the data indicates a cohort or subcohort with five or fewer students. This information is suppressed due to student privacy issues.

- indicates a category with no students (an empty category).

Note: As of Fall 2009, the new federal race / ethnicity reporting categories have been implemented. Thus, data from that time or later (such as the Fall 2009 enrollment numbers on this page) use the new categories, while data originating before that time (such as the race and ethnicity of students in the Fall 2004 cohort on the next page) do not yet reflect the new categories.
