The total number of credit students enrolled in 2012-13 is a nonduplicated headcount of all students taking courses for credit during that year; that is, each student is counted only once, regardless of the number of semesters the student was enrolled.

Other men's sports include soccer.

Other women's sports include lacrosse, soccer, softball, tennis, and volleyball.

** within the data indicates a cohort or subcohort with five or fewer students. This information is suppressed due to student privacy issues.

- indicates a category with no students (an empty category).

Note: As of Fall 2009, the new federal race / ethnicity reporting categories have been implemented. Data from that time or later (such as the 2012-13 enrollment numbers shown here) were collected using the new categories. Data originating before that time (such as the race and ethnicity of students in the Fall 2007 cohort on the next page) has been mapped to the new categories.
