

NEED SOME
CAREER DIRECTION
FOR WHAT TO
MAJOR IN?

NOT SURE WHAT
YOU WILL DO
AFTER YOU
GRADUATE?

Making important decisions that will affect your future can be stressful, if not downright overwhelming. Luckily, however, help is at hand. The *Strong Interest Inventory*[®] assessment is the perfect career tool to help you decide on the right major and what steps to take after graduation.

In fact, in a recent survey, 72% of students reported that they were more enthusiastic about their future career after taking the Strong assessment.* The Strong has helped millions of students just like you to identify their interests and use that information to:

- Find courses they could actually enjoy
- Identify career fields and occupations they would likely find rewarding
- Choose a major that reflected their interests
- Discover potentially satisfying work environments

Knowing and making informed decisions based on your interests can help you achieve greater success in your college career and find a career path that is enjoyable and fulfilling. Contact your Career Center for more information.

What other students are saying

"I want to choose a career that I'm going to be happy with for the rest of my life. After taking the Strong I realized that I want to be something where I interact with people on a daily basis."

Nathalia Cisneros, first-year college student

"It's very helpful, especially for students like me who came in undeclared or who were unsure. The Strong gave me permission to explore other kinds of things..."

Jose Martinez, first-year college student
