PRODUCT NAME: AMWAY * Concrete Floor Cleaning Compound
PRODUCT USE: Concrete cleaner

DISTRIBUTED BY:

Amway of Canada, Ltd.
375 Exeter Road
London, Ontario N6A 4S5

EMERGENCY TELEPHONE: 1-616-676-6307

PRODUCT INFORMATION: 1-519-685-7882

=====

HAZARDOUS INGREDIENTS

(Percentages are expressed as a ratio of the weight of the ingredient
to the weight of the controlled product)

40-70% SODIUM METASILICATE
CAS # 6834-92-0

30-60% SODIUM CARBONATE
CAS # 497-19-8

1-5% DETERGENT RANGE ALCOHOL ETHOXYLATE
CAS # 68131-39-5

=====

PHYSICAL DATA

This product is a free-flowing white powder with a distinct pine odour.

Bulk Density: 0.84-1.02 gm/cc

pH (2% aqueous solution): 12.2-12.8

=====

FIRE OR EXPLOSION HAZARD

This product is not flammable or combustible.

=====

REACTIVITY DATA

Avoid excessive heat, flame, contact with acids, strong oxidizers.

=====

TOXICOLOGICAL PROPERTIES

=====

ROUTE OF ENTRY: This product can affect the body if it contacts the skin or eyes, is inhaled or ingested.

EYE CONTACT: Causes eye burns.

SKIN CONTACT: Causes skin burns.

INGESTION: May cause burning pain in mouth, throat and stomach; nausea, vomiting and diarrhea. The esophageal lining may be seriously damaged due to the potential of the product to be corrosive.

INHALATION: This product contains ingredients which may cause respiratory irritation or injury if inhaled.

=====

PREVENTIVE MEASURES

=====

PERSONAL PROTECTIVE EQUIPMENT:

Wear appropriate protective equipment to prevent eye and skin contact (glasses, goggles, face shield, rubber gloves, protective clothing). Where use conditions and/or extent and duration of exposure dictate, appropriate protective measures to minimize inhalation exposures (engineering controls, NIOSH approved respiratory protection appropriate for the hazard presented) should be implemented.

LEAK OR SPILL PROCEDURES/WASTE DISPOSAL:

Wear appropriate personal protection equipment (respirator, gloves, goggles and/or face shield, boots, protective clothing). Contain/dike spill to prevent environmental release.

This product is a U.S. EPA RCRA hazardous waste. Dispose of in accordance with Federal, Provincial, Territorial and Local regulations.

SKIN CONTACT: Remove contaminated clothing and thoroughly rinse skin with water. Follow immediately with a thorough washing with soap and water. Then continue rinsing with water for 15 minutes. GET IMMEDIATE MEDICAL ADVICE by calling the emergency phone number on page one of this MSDS, or a local/regional Poison Control Center, or a hospital emergency room. Launder contaminated clothing before reuse.

PRODUCT NAME: AMWAY * Concrete Floor Cleaning Compound

FIRST AID MEASURES

EYE CONTACT: Remove contact lenses. Rinse with a gentle stream of lukewarm water for 15 minutes, holding eyelids open. GET IMMEDIATE MEDICAL ADVICE by calling the emergency phone number on page one of this MSDS, or a local/regional Poison Control Center, or a hospital emergency room.

INGESTION: If victim is a child, give 4-8 ounces of water. For adults, give 8-12 ounces of water. Do not induce vomiting when this product is swallowed. If vomiting occurs spontaneously, keep victim in an upright position. GET MEDICAL ADVICE IMMEDIATELY by calling the emergency phone number on page one of this MSDS, or a local/regional Poison Control Center, or a hospital emergency room.

INHALATION: Remove to fresh air. If irritation or breathing difficulty develops, GET MEDICAL ADVICE by calling the emergency phone number on page one of this MSDS, or a local/regional Poison Control Center, or a hospital emergency room.
