The graduation rate includes those baccalaureate-seeking, full-time, first-time-in-college students entering in Fall 2009 and completing degrees within 150% of the usual time to completion (six years for the baccalaureate degree).

** within the data indicates a category with three or fewer students. This information is suppressed due to student privacy issues.

Please note: This is the first year in which the new race / ethnicity categories as defined by the federal OMB were used in admissions and reporting. Due to the changeover in reporting, the number of students in the "Race / ethnicity unknown" category is unusually high.
